## FOUR SWIM RECORDS FALL BEFORE STARS AT CANADIAN MEET

Men's 220-Yard Breaststroke and Free Style, Men's 100-Yard Free Style and Women's 440-Yard Free Style Times Beaten at Dominion Championships and Olympic Trials Here

FOUR standard times which have weathered the onslaughts of many famous aquatic stars were erased from the books of the Canadian Amateur Swimming Association at last night's Dominion Olympic trials and Canadian championship meet, held at the Crystal Garden before the largest crowd ever to witness a gala in this city. Munroe Bourne, ace of the Montreal squad, broke two marks for a fifty-yard pool, while Irene Pirie, Toronto flash, and Dick Wyndham, Vancouver, were responsible for the other pair of shattered records.

Canadian champions crowned last night were as follows: Men's 100-yard backstroke, Munroe Bourne, Montreal; women's 100-yard freestyle, Irene Pirie, Toronto; men's 220-yard breaststroke, Dick Wyndham, Vancouver; men's 440-yard freestyle, Dick Wyndham, Vancouver.

**SHOW BRILLIANT FORM**  
In capturing the titles, the Easterners showed brilliant form, and were easily the class of the meet. Irene Pirie and Dick Wyndham walked off with two crowns each after spectacular performances, while Dick Wyndham and Dick Wyndham retained their diving championships. Victoria swimmers gave their best and did exceptionally well considering the powerful opposition they were against, while the noted Vancouver entrants held their own in the heats, but failed in the finals.

Following the events, Hon. R. H. Pooley, Acting Premier, presented the titleholders with gold medals, symbolic of the Canadian honor. C. P. Hill, prominent citizen, officially opened the meet with a brief talk to the competitors.

Ruth Kerr, Windsor, captured the first event on the programme by finishing with a burst of speed to win the initial heat in the women's 100-yard freestyle. Irene Pirie, Toronto, was a close second, and Eleanor Peden, Victoria, third, thereby losing a place in the final as only the first two qualified in each heat. Betty Edwards, Toronto, won the second heat, and Marjorie Linton, from the same city, was second, and Janet Sheather, also Toronto, finished third. The race was close from start to finish, Agnes Martin, Vancouver, topped the third heat, with Mary McConkey, Edmonton, second, and Dot Prior, Toronto, a good third.

**WALKER JUST BEATEN**  
Getting away to a beautiful start, Munroe Bourne won the men's 100-yard backstroke title by noosing out Denny Walker, Victoria, by two strokes, after a thrilling race. After assuming "the lead at the start," Bourne increased his stroke and held a good lead at the halfway mark.

**JUDGE CHARGED BY GRAND JURY**  
LOS ANGELES, July 18.—Superior Judge Walter S. Gates, who led an investigation into alleged re-employment irregularities here, was charged late today with being a party to the illegal acts.

The County Grand Jury brought thirteen months of service to an end with the unexpected discharge of an indictment against Judge Gates, charging that he gave Toby Anderson two reemployment appointments in exchange for Anderson's efforts as publicity agent in the campaign for re-election.

**UNDER BRIBERY CLAUSE**  
The indictment contained but one count and was brought under the section of the State's law concerning the bribery of a judicial officer.

Judge Gates' name was among the list of eighty-one witnesses attached to the document. All testified in the general reemployment inquiry.

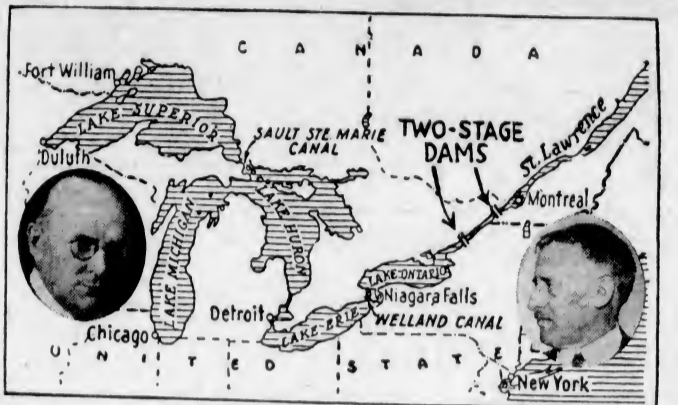

**NO BAIL REQUIRED**  
Judge Schauer said no bail would be required, whereupon Judge Gates asked that arraignment be set for Thursday morning. The request was granted.

The accused jurist then issued a statement, declaring "the charges are based on malicious fabrication and are part of a political plot against me."

**BADLY WOUNDED IN GUN ACCIDENT**  
COURTENAY, July 18.—Jack Hilton, twenty-two, was dangerously wounded in a gun accident at Blouet's early on Sunday morning. It appears that Hilton was practicing with a .22-calibre rifle at a target, when it went wrong and forward onto the muzzle of the rifle, the bullet perforating his abdomen. He managed to stagger back to the cabin, and was carried out by his companions, Jack Williams and Robert Logan.

Dr. Hicks, of Cumberland, who attended him, is hopeful of his recovery.

## Waterway Plan Takes Definite Form

FOLLOWING weeks of negotiations the St. Lawrence waterway agreement was signed yesterday by Hon. W. D. Herridge, Canadian Minister to Washington, and Henry L. Stimson (right), United States Secretary of State. The agreement must be ratified by the Canadian Parliament and the United States Congress before becoming effective. Premier R. B. Bennett (left), took an active part in the negotiations. The map above shows the course of the waterway from Lake Ontario to the Gulf of St. Lawrence. The two-stage dam plan urged by Canadian engineers and accepted in the agreement.

## St. Lawrence Waterway Treaty to Open Midwest Is Signed at Washington

**Says Resignation of C.N.R. Head May Be Expected Soon**

OTTAWA, July 18.—The Citizen in a newspaper story says today: "There is reason to believe that Sir Henry Thornton's connection with the Canadian National will not be of long duration."

"It was stated recently in The Citizen that the situation as affecting himself and arising out of the parliamentary inquiry had been considered by the Cabinet."

"Today a report came from Montreal that Sir Henry had resigned on Saturday. This turns out to be incorrect, but there is considerable to indicate that such a development is looked for in official quarters."

**Travels at Over Two Miles a Minute Over Measured Course on Loch Lomond—Surpasses Mark Set by Gar Wood by Over Eight Miles an Hour**

LOCH LOMOND, Scotland, July 18 (AP).—Kaye Don today drove his new Miss England III over the silvery waters of storied Loch Lomond at the record speed of 119.81 miles an hour to return again to Great Britain the world speed standard on sea.

Twice he drove his powerful boat over the measured mile course, breaking the world mark on each occasion. On the first run, made just at dawn, he averaged 117.45 miles per hour. Not satisfied with that, he made another run in mid-morning to hang up his new average, and for the first time in the history of man travel at faster than two miles a minute over water. On his second trial he attained a speed of 120.5 miles per hour on the run with the wind.

**LIKE A LADY**  
"I just kept her full out and she responded like the glorious lady she is," Don told enthusiastic admirers as he came ashore after his record run.

The boat was altered on Don's orders after her poor trials at Lake Garda, Italy, to make her faster, and her performance pleased him immensely.

Don's mark broke the old record of Gar Wood, 111.726, by more than eight miles an hour, and experts said, put it beyond reach for some time, although Wood is now experimenting with a new Miss America in the hope of defeating Don in the Harmsworth Trophy race at Detroit this fall.

**Tax Collections Beat 1931 Record**  
VANCOUVER, July 18.—City tax collections for the year have passed the million-dollar mark and have outstripped the record of 1931.

Up to July 12, \$1,060,923 had been paid into the city treasury, as compared with \$928,273 for the corresponding period in 1931. This is an increase over last year's figure of \$1,022,650.

**ATTACK REBEL AIRFIELD**  
RIO DE JANEIRO, July 18 (AP).—Federal authorities today attacked the rebel airfield at Maricopa, on the edge of the city of Sao Paulo, the capital of the state, dominated by the revolutionaries. They refrained from harming the capital itself.

## CANADA HAS WARM WELCOME FOR CONFERENCE DELEGATES

**Free Staters to Join in Sending Loyal Messages**  
OTTAWA, July 18 (CP).—The Irish Free State delegation to the Imperial Economic Conference will not dissociate itself from the formal proceedings of that conference when it opens on Thursday. It was learned here today. Members close to Sean T. O'Kelly declared today that the Free Staters had no intention of separating themselves from the messages which ordinarily emerge from Imperial conferences to His Majesty the King.

**Men From Irish Free State First to Arrive in Ottawa**

QUEBEC, July 18 (CP).—Every steamer whistle in the harbor screamed a welcome tonight at the docking of the Empress of Britain, bearing delegates to the Imperial Economic Conference. A crescendo of sound greeted the big white liner as it swept into view from the fog-laden distances behind the Isle of Orleans.

Official greetings to the delegates were made by Dominion, provincial and municipal officials. As soon as the gangplank was lowered the official party went on board, meeting representatives of the delegations from Great Britain, Northern Ireland, India, Southern Rhodesia and South Africa.

**First to Drive Boat at Two Miles a Minute**

Included in the official party were Premier L. A. Taschereau of Quebec; Hon. C. H. Cahan, Hon. Alfred Durand and Hon. Arthur Sauve, of the Dominion Government; Sir William Clark, British High Commissioner in Canada, and Mayor Lavigneur of Quebec.

**A ROYAL WELCOME**  
Thousands of people lined the historic cliff behind the dock, waving handkerchiefs, shouting, cheering, and otherwise sounding a royal welcome. And almost 175 years ago, at almost the same spot, another group of Englishmen, unwelcomed at that time, climbed the same cliff to plant the British flag on Canadian soil. The Empress docked at Wolfe's Cove.

Stanley Baldwin, leader of the British delegation, sounded the keynote of the conference when he said: "We have come here to work and co-operate, to bring about an agreement with our fellow-delegates," and he added prayerfully, "May our and our hopes be amply fulfilled."

**GREETINGS RE-ECHOED**  
Hon. N. C. Havenga, South African Minister of Finance, brought greetings to Canada from the people of the Southern Union. Sir Atal Chatterjee, head of the Indian delegation, brought a touch of picturesque to the short proceedings, but he was no less sincere in expressing his welcome to the British delegation.

**League Admits Turkey**  
GENEVA, July 18 (AP).—Turkey was received into the League of Nations today at a special meeting of the League Assembly. Turkey's entry leaves the United States, Brazil and Soviet Russia the only important states which are not members of the League.

**Delegates Engaging In Final Discussion Before Conference**

**Representatives of Antipodean Dominions Putting Last Touches to Preliminary Work While Nearing End of Long Journey to Ottawa**

WHITE RIVER, Ont., July 18.—Torrid heat, which the breezes from Lake Superior temper but little, baked the Antipodean delegation to Ottawa as they worked feverishly in a dozen compartments to put the final touches to voluminous memoranda covering a vast variety of subjects. Forward in their private cars, the ministers of Australia and New Zealand confer with each other and with their departmental advisers and industrial experts.

**MURDERER NOT RUN TO EARTH**

ROSBURN, Man., July 18 (CP).—Most of the outstanding clues now run to earth have brought no results in the search for the man or men who last Wednesday night shot and killed Lawrence Lees, park warden, as he sat with his wife at supper in their cabin north of here, and seriously wounded his bride of little over a month.

The revolver with which the shots were fired has not been found, but it is thought likely it was disposed of in quicksand a few yards from the cabin. Half a dozen Royal Canadian Mounted Police have settled down in headquarters established at the cabin for a protracted stay, and are said to be maintaining a close watch on at least four men, any one of whom might have carried a grudge against Lees sufficient to bring him under suspicion.

Mrs. Lees, who was shot down from behind by an unknown assailant as she was telephoning for help, is slowly recovering from the head injuries she received and endeavoring to recall all the happenings of that tragic half-hour.

**EVANGELIST NOT IN GREAT DANGER**

LAKE ELSINORE, Calif., July 18.—The condition of Almerie Semple McPherson, an evangelist and queen of the Four-Square Gospel, was found today by her physician to be very satisfactory, he reported after a thirty-minute routine call.

Mrs. Hutton was improved, the physician, Dr. Edward Huntington Williams, Santa Monica, reported. He said she is in practically no danger of her life and will recover with proper nursing and quiet.

**Political Rioting Takes Many Lives In German Centres**

Thousands Take Part in Savage Fight in Altomonte—Outbreaks Are Widespread—Government Decree Bans All Outdoor Demonstrations

BERLIN, July 18 (AP).—The German Government issued a decree today banning all outdoor demonstrations, following a week-end of political rioting in which fifteen persons were killed and scores injured.

Permission to wear uniforms continued, however. The Cabinet insisted that they were necessary for the maintenance of order, and could hardly afford to politically to rescind its own orders.

Thousands took part in the bloody battles of the past week-end. The most severe clash was at Altomonte, a city of 17,000 persons near Hamburg. Twelve were slain and fifty injured when 6,000 National Socialists and Communist fought savagely. Police succeeded in breaking up the battle at midnight.

## WOMEN HONOR NOTED VISITOR

Victoria Soroptimists Attend Vancouver Banquet for Dr. Noel, of Paris

Mme. le Dr. Noel, of Paris, president of the European Federation of Soroptimists, one of the leading plastic surgeons of Europe, was entertained in generous fashion in Vancouver over the week-end by Soroptimists from that city, Victoria, New Westminster and Bellinham. From the Victoria society recently organized here, were the president, Miss Alma Russell; Miss Lottie Bowron, vice-president; Mrs. Spurr, secretary; and Madame Eva Baird, Mrs. Fred Robertson and Mrs. M. H. Edwards.

On the same occasion, Mrs. M. E. Crehan, of Vancouver, recently elected president of the American Federation of Soroptimists, who was here in connection with the organization of the Victoria group, was also honored.

### TELLS HISTORY OF BRANCH

Miss Gordon, president of the Vancouver Soroptimist group, was in the chair, and introduced Mme. le Dr. Noel, who subsequently addressed the gathering in French, her address being interpreted by Miss Goy, of the Vancouver Club. She gave the history of the Paris branch of the federation, and introduced the speaker.

**IRISH COME FIRST**  
Delegates from the Irish Free State, first to arrive for the conference, paid their formal call on Prime Minister R. B. Bennett today, visited the Parliament Buildings.

**IN OTTAWA TODAY**  
The major contingent of delegates to the Imperial Conference will reach Ottawa tomorrow morning. Two special trains carrying the delegates from Great Britain, Northern Ireland, India, South Africa and Southern Rhodesia are scheduled to reach here at 9:45 and 10:10, respectively. With the delegates will come advisers, experts, secretaries and staff. The whole official party is expected to number about 150.

At the station to meet the party will be Prime Minister R. B. Bennett and members of his Cabinet, as well as other persons prominent in the economic, social and political life of the Dominion.

**GOVERNMENT TO AWAIT REQUEST**  
Continued from Page 1  
The Government, he stated, was in sympathy with the university, and would wait with every attention until the board of governors, which is the acting body, makes any representations it may do as a result of the report.

If any change were contemplated in the structure of the university management, it would have to come by way of legislative amendment to the British Columbia University Act, dating back to a period before 1911. The act at present makes a senate and a board of governors obligatory for the operation of the institution, and sets out their method of constitution. The board of governors comprises the president and chancellor, and nine other members appointed by the Government. The senate is chosen largely by the actual membership of the university. The senate has thirty-six members, of whom are appointed by the Government, the Minister of Education being an ex-officio member. University faculties and graduates, normal and high school staffs have a voice in the composition of the senate, but broadly speaking, it is chosen by present and former members of the institution.

**IN OTHER PROVINCES**  
British Columbia is not alone in having two bodies in control of university affairs, all other provinces, so far as it could be ascertained yesterday, having a similar provision. Manitoba up to 1913, at least, provided one governing body for its university, called a council, but later changed to a senate and a board of governors. It is believed.

Mr. Hinchliffe received the Lampman report with evident interest, and made preparations to read it at the first available moment. The Government, he made it clear, would have no comment to make in any event, until after the governors of the institution have first made any representations they may wish to as a result of the findings. The Government at that time would give every sympathetic consideration to any proposals advanced, he intimated.

**QUEBEC, July 18.**—Rt. Hon. Stanley Baldwin, leader of the British delegation, seas in the Ottawa conference a double opportunity. In a statement issued as the Empress of Britain arrived in Quebec tonight, Mr. Baldwin spoke first of the opportunity at Ottawa to make trade agreements and thus promote the well-being of every unit of the Empire. That was a cause which, for its own sake, lay close to all hearts. But there was also another opportunity. "We believe," Mr. Baldwin said, "that by the methods we adopt we can set an example to the whole world in breaking down obstacles to commerce, in aiding a revival of agriculture, industry and trade, and in bringing peoples safely through the tragic depression of recent times."

**MOMENTOUS IN HISTORY**  
Mr. Baldwin said: "I am glad to have this opportunity of expressing on behalf of the United Kingdom delegation, our pleasure at arriving in Canada on our way to what we hope and believe will be one of the most momentous gatherings in the history of the British Empire. We have had a delightful passage across the Atlantic, in circumstances of convenience, and indeed luxury, such as were unimaginable when the first colonial conference was held in Ottawa thirty-six years ago."

"We are deeply grateful to the Canadian Pacific Railway Company and to Captain Lafla for the comfort in which we have spent the past few days. We are proud that the British ship should lead the world today, as British ships have always done in everything that can minister to the comforts and safety of those who travel by sea. The Empress of Britain, built and registered in Great Britain, registered in London by a Canadian company, and bearing delegates from South Africa, India, Southern Rhodesia and the United Kingdom, is a fitting symbol of that economic interdependence between all parts of the British Commonwealth that we hope to establish ever more firmly at Ottawa," said Mr. Baldwin's statement.

**GOOD PROGRESS MADE**  
"We have done much useful work on board. Not only have we conferred constantly among ourselves, and with the industrial advisers whom we have brought with us, we have also had the pleasure of conferring with our fellow delegates from other parts of the Empire, and I am glad to say that we have made good progress."

"As for the conference itself, there is little that you will expect me to say at this moment. The fact that so many of us from the United Kingdom have come to the conference is evidence of the importance which we all in Great Britain attach to it."

"We are proud to be the guests of the Canadian Government on this occasion and look forward to playing our part in the important work which now lies immediately ahead."

**WHERE FRENCH SUBMARINE WAS LOST**  
Above is a picture of the Promethee, one of France's latest submarines. While below is a map showing the position of the vessel when she sank to the bottom, forty fathoms down, carrying more than sixty men to their deaths.

**CANADA HAS A WARM WELCOME FOR EMPIRE CONFERENCE DELEGATES**  
Continued from Page 1  
The project will cost the two nations \$43,000,000, an amount almost equally divided. In addition to opening the interior to navigation, it will yield approximately 2,200,000 horsepower of electric energy.

**COST TO CANADA**  
OTTAWA, July 18 (CP).—With the new capital cost to Canada envisaged at less than \$40,000,000, the St. Lawrence Waterway Treaty was signed at Washington today. Work will spread over a seven-year period from early next year to 1940.

The new new capital expenditure by the Dominion is estimated at \$38,071,000, but this figure may be decreased by \$4,233,000 if the necessity for a guard lock in the Beauharnois canal is eliminated.

The net outlay of \$33,838,000 is the total payment Canada will have to make after being paid an approximate amount of \$67,000,000 by Ontario and allowed \$128,000,000 by the United States for the new Welland ship canal and other works.

**TWO-STAGE DEVELOPMENT**  
Canada has won her contention for a two-stage development. The treaty, which deals with the international section, will be followed by a disclosure that dams will be located at Cryslar and Barnhart islands. A 27-foot channel is to be built to allow ocean vessels to proceed to the head of the Great Lakes.

A St. Lawrence international rapids section commission—composed of five Canadians and five Americans—will construct the works in the international rapids section. Powerhouse superstructures, machinery and equipment required for the development of power such as the Ontario rapids section, will be Ontario property to build, will be outside the authority of the commission.

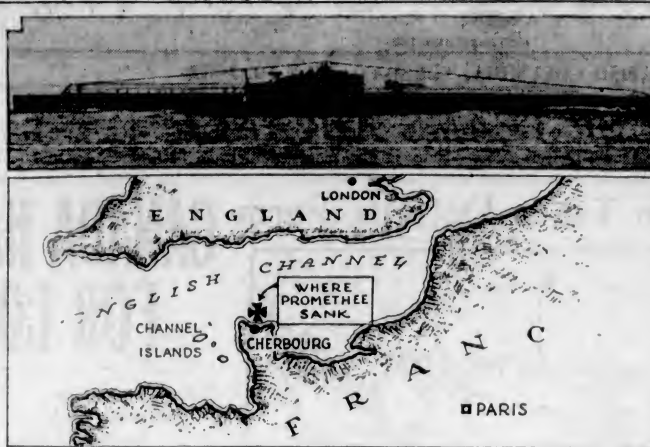

In the generation of 1,100,000 horsepower which it will obtain in the international section, Ontario will spend \$15,306,000 at the Cryslar Island plant and \$21,625,000 at Barnhart Island.

**CONTROL IN CANADA**  
Canadian engineers, Canadian workmen and Canadian material will be employed in respect to river works lying on the Canadian side of the boundary. Upon completion, all river works on the Canadian side of the international boundary will be owned, maintained and controlled by Canada.

**COST TO UNITED STATES**  
Total net cost to the United States will be \$243,661,000. This amount is made up of \$65,100,000 for channel deepening and other necessary works in the Upper Lakes section and \$178,561,000 in the international rapids section.

In announcing the signing of the treaty, Prime Minister R. B. Bennett issued a strong statement of support for the agreement.

A St. Lawrence international rapids section commission—composed of five Canadians and five Americans—will construct the works in the international rapids section. Powerhouse superstructures, machinery and equipment required for the development of power such as the Ontario rapids section, will be Ontario property to build, will be outside the authority of the commission.

In the generation of 1,100,000 horsepower which it will obtain in the international section, Ontario will spend \$15,306,000 at the Cryslar Island plant and \$21,625,000 at Barnhart Island.

**CONTROL IN CANADA**  
Canadian engineers, Canadian workmen and Canadian material will be employed in respect to river works lying on the Canadian side of the boundary. Upon completion, all river works on the Canadian side of the international boundary will be owned, maintained and controlled by Canada.

**COST TO UNITED STATES**  
Total net cost to the United States will be \$243,661,000. This amount is made up of \$65,100,000 for channel deepening and other necessary works in the Upper Lakes section and \$178,561,000 in the international rapids section.

In announcing the signing of the treaty, Prime Minister R. B. Bennett issued a strong statement of support for the agreement.

**ST. LAWRENCE SEAWAY PACT TO OPEN MIDWEST SIGNED AT WASHINGTON**  
Continued from Page 1  
The project will cost the two nations \$43,000,000, an amount almost equally divided. In addition to opening the interior to navigation, it will yield approximately 2,200,000 horsepower of electric energy.

**COST TO CANADA**  
OTTAWA, July 18 (CP).—With the new capital cost to Canada envisaged at less than \$40,000,000, the St. Lawrence Waterway Treaty was signed at Washington today. Work will spread over a seven-year period from early next year to 1940.

The new new capital expenditure by the Dominion is estimated at \$38,071,000, but this figure may be decreased by \$4,233,000 if the necessity for a guard lock in the Beauharnois canal is eliminated.

The net outlay of \$33,838,000 is the total payment Canada will have to make after being paid an approximate amount of \$67,000,000 by Ontario and allowed \$128,000,000 by the United States for the new Welland ship canal and other works.

**TWO-STAGE DEVELOPMENT**  
Canada has won her contention for a two-stage development. The treaty, which deals with the international section, will be followed by a disclosure that dams will be located at Cryslar and Barnhart islands. A 27-foot channel is to be built to allow ocean vessels to proceed to the head of the Great Lakes.

A St. Lawrence international rapids section commission—composed of five Canadians and five Americans—will construct the works in the international rapids section. Established 1858.

The Colonist Printing and Publishing Company, Limited—Liability.

J. L. Tait, Business Manager.

Subscription Rates by Carrier or by Mail in Districts Contiguous to Victoria, Served by Colonist City Carriers:

Yearly \$12.00  
Monthly 1.00  
All subscription rates payable in advance. Mail subscribers are requested to make all remittances direct to The Daily Colonist.

Subscribers in ordering change of address should be particular to give both old and new address.

Subscription rates by Mail:  
To Canada, Great Britain, the United States and Mexico, except districts as above:Yearly \$6.00  
Half-Yearly 3.00  
Quarterly 1.50

Tuesday, July 19, 1932

## AN EMPIRE CURRENCY

There is hardly any issue to come before the Imperial Conference more likely to arouse so many differences of opinion than that which will relate to the proposal for an Empire currency. The object of such a suggestion is to arrest the fall in prices and to bring about a measure of inflation. All economists are aware that the only sure economic remedy for the present fall in prices is a revival of world trade. This can be assisted at Ottawa by promotion of Empire trade which should lead to such revival. The field of currency is narrower than that of world trade. Where a monetary policy is concerned it should be on the basis of an international, not an Imperial system, so that prices and exchanges can be kept stable. That is a matter of international agreement. There is no assurance that the mere creation of an Empire currency would facilitate such an end.

The Empire cannot, with any certainty regarding the future, commit itself to a permanent policy of currency questions. Britain, as one part of the Empire, is definitely committed officially against inflation, although there is a desire for a rise in wholesale prices. That fact has been made patent more than once by Mr. Neville Chamberlain, the Chancellor of the Exchequer. In discussions at the Imperial Conference many views will be put forward. Possibly one that will carry weight will be that already propounded by The London Times, which believes it might be better to let the dollar and the franc take care of themselves, "and endeavor to make the British pound become once more what gold has ceased to be, a constant measure of real values, supplying the world with the stable medium of exchange needed for the conduct of international trade." That would, at least, be a substantial stop-gap until such time as the gold standard is resumed by the countries by which it has been temporarily suspended.

## THE ST. LAWRENCE TREATY

According to dispatches the United States Government has given assurances to the Dominion that, with an agreement reached in the matter of the St. Lawrence project effective steps will be taken to rectify the Chicago drainage diversion. The report states that upon this point the Canadian Government has been most insistent. Such an attitude on the part of the Canadian negotiators is, of course, very natural and if the St. Lawrence project is actually carried out it is certainly to be hoped that Canada will be made secure on this point. There are, however, certain features of the situation which must cause some misgivings in the minds of the Canadian people. Are we to understand that the Chicago matter is to be regarded as part of a business bargain? Does the United States Government take the ground that the action of Chicago in appropriating to its own use the water of an international river was quite legitimate, but that as part of the new bargain Chicago will divert less water than formerly?

The original contention of Canada was that the action of Chicago was illegal, a breach, in fact, of sound international law and good neighborhood. If that contention was correct, and apparently a great many people in the United States so considered it, that country ought to have discovered some way of rectifying a palpable wrong. To many Canadians, convinced of the justice of Canada's claims, it will seem unwise and undignified for Canada to recede from her original strong position and allow her rights to be made a matter of expedient bargaining.

It is also to be observed that the United States Government tried to bring pressure upon Chicago in the matter some little time ago, and at that time the statement was freely made that Chicago and the State of Illinois could not be coerced by the Federal power. What has happened since then to warrant anyone in believing that Illinois and Chicago can, in the future, be compelled to bow to the Federal will? The only attempt at an answer to this question that has yet appeared is a statement to the effect that the authority for enforcement will be provided by the new Treaty with Canada. The answer is not altogether convincing. The people of Illinois, after successfully defying the Federal order, are not likely to be coerced by the provisions of a mere treaty. Canada should have insisted upon a rectification of the Chicago diversion as a step preliminary to any discussion of the St. Lawrence project, and should make no commitments until the Chicago rectification is an accomplished fact.

## IMPERIAL TRADE

The Association of British Chambers of Commerce has made a report on the trade of the Empire which it is hoped will prove of value at the sessions of the Imperial Conference which open at Ottawa this week. The subjects that it regards as of importance are: (1) trade policy of the Empire, (2) frequent assemblies of Empire representatives, (3) a permanent Trade Assembly, and (4) monetary policy. These matters are outlined and commented on as of primary importance, and others mentioned are migration, double taxation, taxation of agents, commercial travelers' licences, parcel post, propaganda to advertise British productions in all parts of the Empire and similar questions.

There is an indication in the report of the Association that an outcome of the Imperial Conference may be a series of agreements between different parts of the Empire without a blanket form of co-operation. In this respect it says: "Since the passing of the Import Duties Act (in Britain) more effective power has been given to our Government, not only to deal with the tariffs imposed by foreign countries on our trade, but to grant a preference to our Dominions on a wide range of our imports, and the Association urges

that this power should be wisely operated to secure the best possible arrangement in the interests of international and inter-Imperial trade. The Association believes that by an effective system of preferential trading each part of the Empire can be helped to promote and develop its own trade. The Association draws attention to the importance of the United Kingdom market to each of the Dominions. If it is not possible to reach an agreement with all the Dominions then this country should enter into an agreement with those Dominions which are willing to be parties to it."

The following table shows what Britain bought from the different parts of the Empire in 1931 and what those parts bought from Britain, as herewith, the word "our" in all cases alluding to Britain:

|                  | Britain bought from                                      | Bought from Britain                         |
|------------------|--|---|
| Australia        | 44.6% of her total exports (53.3% of our total imports)  | 39.2% of her imports (3.74% of our exports) |
| Canada           | 28.5% of her total exports (31.1% of our total imports)  | 17.4% of her imports (5.3% of our exports)  |
| Indian Empire    | 27.24% of her total exports (42.6% of our total imports) | 34.16% of her imports (8.3% of our exports) |
| South Africa     | 52.7% of her total exports (1.52% of our total imports)  | 43.2% of her imports (5.61% of our exports) |
| New Zealand      | 89% of her total exports (4.37% of our total imports)    | 49.1% of her imports (2.88% of our exports) |
| Irish Free State | 96.3% of her total exports (4.25% of our total imports)  | 7.8% of her imports (7.8% of our exports)   |

## BRITAIN REGAINS RECORD

There was a very general expectation, among British peoples at least, that Mr. Kaye Don would not allow much time to elapse before regaining the world's motorboat record for speed. The feat he accomplished yesterday on Loch Lomond must have exceeded the hopes of his most enthusiastic supporters. Miss England III has been proved not only the fastest boat but the fastest by a margin of approximately eight miles an hour. It is not often that records on the water are eclipsed by such a wide margin.

British builders of engines for travel on sea, land and in the air are jealous of their reputation, as they have every right to be, for their engineering work has led the world for a long time, possibly always. The challenge to their supremacy on water, which was made good last year by Mr. Gar Wood, was accepted with alacrity by Lord Wakefield, and his new boat—Miss England III—piloted by Mr. Kaye Don, has won the championship once again from the United States. Mr. Don is among the most popular of latter day sportsmen. His feat will be acclaimed everywhere there are sportsmen, while, as well, an added tribute is due to the remarkable engineering skill possessed by British boat builders. The new record may not last long, but it should at least survive the present year and perhaps longer than many may suspect at the moment.

This week may well be regarded as opening a new chapter of progress in human affairs with its setting at Ottawa. To paraphrase what the great Pitt once said: "The Empire will save herself by her exertions, and the world by her example."

## FOREIGN LOANS

If Ottawa does nothing else, it will have been worth while if it ensures that a check is put to the headlong rush of British investors to put their money into foreign loans. In ten years \$200,000,000 of British money has been thus subscribed—70 per cent of the interest now being in default. Before the crisis—the sum is much larger than \$200,000,000 of British money—the stupendous sum of \$3,000,000,000 of British money was subscribed. But loans within the Empire are not bad debt, but to the extent of a single farthing has any colony or Dominion defaulted?—National Graphic (London).

## The Weather

Meteorological Office, Victoria, B.C., at 8 p.m., July 18, 1932.

## SYNOPSIS

The barometer remains high on this Coast and, with the exception of rain at Kamloops, fine weather is general on the Pacific Slope. Local rains are reported in Southern Alberta, and fair, warm weather eastward to Manitoba.

## Note and Comment

By R. B. D.

Who is this that darkness counsel with words without knowledge?—Job.  
In this wisdom folk eagerly stay;  
Be there a will, and wisdom finds a way.  
—Crabbe.

A voice came over the telephone wire and wanted to be told what the weather was coming to and what we were going to do about it.

We of course told the voice we did not know what the weather was coming to and wanted to know what we could do about it.

The voice suggested that we might speak to Mr. Denison about it and inquire whether anything was afoot at the local observatory. We might as well do, of course, but were sufficiently discreet not to act too precipitately, for the thought occurred to us that possibly many other people had been ringing up the weather man and chiding him with having lost control of the wind, the temperature, the clouds, the moon and the tides and the sun spots, and of all those natural phenomena which are popularly supposed to influence the rainfall, the sunshine and the moonshine, and all the erratic things which enter into the making of the weather and affect the happiness of mankind and the comfort of a multitude of Summer campers.

Critics of the weather man and the weather forecasts but cannot make should not forget that nature is the universal provider, nor that the weather which may not appear agreeable to many people in this part of the world at this season of the year is the very best kind of weather for the business of millions of industrious people in other parts of the world. If we have had more than the usual amount of rain during the early part of our normal Summer season, there appears to have been just the right amount of rainfall upon the Prairies to assure a bountiful grain harvest. If present anticipations are realized, there will be another record crop of wheat and other cereals on the broad plains of Canada, and the gathering of that harvest and the transportation of it to market may do more to create normal business conditions in Canada than anything the much-discussed Imperial Conference can do.

Now do not imagine we are suggesting lack of confidence in the possible accomplishments of the Ottawa Conference. We believe the deliberations of the Imperial statesmen and economists will be productive of beneficial results; but we sometimes fear that in a multitude of advisers there may be confusion of thought and timidity of action. Tongues are wagging and typewriters are buzzing, and experts are talking and editors and correspondents are writing about what the delegates must do and what they must not do as they hope to make the conference a success.

Self-appointed authorities are pointing out that after all the Imperial Conference is limited in its scope, that it must be followed by a conference of world-wide scope, that it is not the prospect of prosperity for the Empire, but the prospect of prosperity for the world which must be attained before there can be any substantial relief from the business depression.

Well, there is an old axiom about doing one thing at a time and doing that one thing well. It is the business of the British Empire to look after its own affairs, and it may be assumed that the world will attend to its own special business without displaying any considerable amount of mental anxiety about the affairs of the British Empire. Probably never in British history has the world at large been more deeply interested in the Imperial assembly than it is in the Ottawa Conference. The eyes of the whole world are gazing in rapt attention at Ottawa, and the minds of the most astute and thoughtful men in the world are speculating about the results of the deliberations which will begin at the present centre of the British Empire during the current week.

In anticipation of what may be done at Ottawa, one of the astute of American observers of the course of Imperial events has been telling the people of the United States directly and the people of Canada indirectly that after all Uncle Sam and John Bull ever have been best of friends and have been trading jack-knives for a hundred years and more to mutual advantage—and hinting that it might be prejudicial to the best interests of both if as a result of the Conference anything should be done to prejudice such hitherto profitable trading relations.

That advice reminds us of something smart and astute Sam Slick called "soft sauer." The only dangerous obstacle to the success of the Conference is the selfish opposition of vested interests, which will be represented in the lobbies, and the vested interests will have observers in the lobbies not only from foreign countries, but from Great Britain and Canada. That is why there is comfort and satisfaction in

the assurance that the Conference will be presided over by Premier Bennett, a man who "knows not only his own mind," but is a fairly shrewd judge of what is in the minds of other people.

## Burns Party Enjoys Tour To Glasgow

Chalet Friends, Deep Cove. Scene of Club's Sixth Yearly Outing

"Having a perfectly wonderful time" was the message received by Charles Earle, Victoria general passenger agent for the C.N.R., yesterday from the party of twenty-five Victorians who, on their way to Glasgow for the Robert Burns Reunion Celebration being held there.

The Victoria party was augmented by others from Vancouver, Calgary, Edmonton, Winnipeg and other Canadian points, and this party, numbering several hundred, are now on board the Lethia.

## CEREMONY ENDS ANNUAL OUTING

Y.M.C.A. Camp at Maple Lawn Closes With World Friendship Campfire

Members of the local Y.M.C.A. closed the annual Summer camp, Sunday night, in union with innumerable other branches of the association in all parts of the earth, by holding a world friendship campfire, designed to foster international peace and good fellowship.

Vivian Shoemaker, popular boys' work secretary of the association here and supervisor of the camp, officiated at the closing ceremonies, which proved one of the most picturesque of the season.

During the evening each of the boys, carrying a torch with the names of every member in the group inscribed upon it, marched up to the fire and dipped it in the flames. Later, when they were extinguished, the torches were kept as souvenirs.

## VARIED PROGRAMME

In the course of the last two weeks a lot of nearly a hundred boys have attended the camp and, despite adverse weather conditions, the tent dwellers have had a most enjoyable outing. Hikes, games, water sports, nature study lessons, instruction in geology, lectures and various other varied activities have afforded the campers an opportunity to suit the severest critic and the excellent catering and supervision has proven highly commendable.

## CAPTURE AWARD

Tent No. 3, under the captaincy of Harold Robson, won the award for the nearest and best-kept camp in the district, printing which W. Billingsley was the head, came a very close second.

Mr. Shoemaker, who arrived in the city yesterday morning, announced that the trophies would be given by girl campers from different church organizations during the next week.

## EARTHQUAKE FELT HERE ON SUNDAY

F. Napier Denison, director of Gonzales Observatory, stated yesterday that tremors had been recorded on the seismograph on Sunday at 10:25 p.m., and that the needle oscillated for six minutes. The centric point was 150 miles from Victoria in the direction of Puget Sound, he said. The tremors were slight here, he stated.

## FEW APPLY DURING VOTERS' REVISION

After the recent preparation of a fresh Provincial voters' list for Victoria, few applications for registration were received at the opening of the monthly Court of Revision, held yesterday in the Courthouse.

Such applications as were received were for inclusion on the new list, there being no applications for deletion of names already entered.

Similar reviews were held at other centres throughout the province under the new provisions of the act, providing for monthly Courts of Revision.

The next court will be held on August 15.

## ANCIENT SERVICE AT HINDU FUNERAL

Ancient funeral rites of the Hindus were carried out here yesterday afternoon when Chand Kaur, sixty-year-old wife of Arjan Singh, was cremated at Royal Oak Burial Park with the full ceremony of the Hindu funeral service.

Followed by a large gathering of Hindu mourners, the Chief Priest of Sikh Temple at the head of the procession, the remains were taken to the cemetery and placed upon a burning pedestal and consumed by the fire. At the cemetery a large number of local Hindus were present to take part in the ceremony and to pay their respects to the dead.

## Letters to the Editor

COOK STREET'S TREES  
Sir—It is understood that the parks committee intends to remove in no distant future, some or all of the chestnut trees now standing on the Cook Street boulevards. The trees are, however, from an aesthetic point of view, one of the greatest assets our beautiful city has, and their preservation is a matter of grave concern to all nature lovers and especially to those who live on the afore-said street or in the vicinity. Through their removal Cook Street, for many years to come, would lose its outstanding character and chief attraction, as the replanting which are intended to replace the magnificent trees standing there now, would take at least fifteen to twenty years to grow to any appreciable size.

In view of these facts a petition is to be addressed to the parks committee for the preservation of these splendid trees, and all those interested are asked to sign the petition forms either at The Colonist office or The Times office. It is also suggested to form a society for the "Preservation of the Natural Beauty of Victoria," and those in favor of this scheme will kindly sign also a second sheet to the effect:

A. B. VIVENTON  
1130 May Street, Victoria, B.C., July 18, 1932.

MR. SOUTHWELL'S PANELS  
Sir—Will you kindly give me space in your columns to comment upon the splendid generosity of our public-spirited citizen, the Hon. S. L. Howe, in a gift to the Province of four paintings by Mr. Southwell for the rotunda of the Parliament Building. It is a gift to posterity which will be both educational and inspirational to future generations, and the Province is to be congratulated in the midst of such financial turmoil as exists today that at least one of its citizens can rise above mercenary thoughts far enough so as to pay for these works of art from his own private means.

The action is to be particularly commended, too, from the standpoint that it employs the services of one artist amongst the many men of genius the world over, and specially in British Columbia today, who, through no fault of their own, are feeling desperately the pinch of this depression.

British Columbia should be proud of the fact that not only has an art gallery been founded in the Terminal City, but that we in the Capital City, too, are making advance along the lines of culture and education in the love of the beautiful and the things which count.

Hats off to the Hon. Sam Howe! ALICE PARKER  
Empress Hotel, Victoria, B.C., July 18, 1932.

## PASSING OF ACTOR

Sir—As the sympathy so often displayed by actors towards animals is distinctly noticeable, may I draw attention to the recent passing of a member of the stage, Mr. E. M. Robson, whose more recent appearances were at the Criterion and Kingsway Theatres.

"He played with Charles Mathews, Adelaide Nelson and other stars of yesterday, and had later engagements with Beerbaum Tree, George Alexander and other notabilities. He appeared before Queen Victoria at Balmoral in 'Liberty Hall.' He also played 'Tristram in a Man's Shadow,' before King Edward at Windsor Castle."

Mr. Robson's regard for animals led him to act for twenty years as the honorary secretary of the Chiswick Branch of the British Union for Abolition of Vivisection, and his efforts never slackened in spite of increasing years.

A few months before his death, Mr. Robson remarked to a friend: "Of all that I have done in my life, time I feel that my antivivisection work has been the most worthwhile."

DORA KIRBY  
Hon. Secretary, Canadian Anti-Vivisection Society, 315 Bayward Bldg., Victoria, B.C., July 18, 1932.

## FIFTY YEARS AGO TODAY

(From The Daily British Colonist of July 19, 1882)  
Saw Sergeant—A monster sea serpent, of dimensions such as depicted in fabled waters, was reported as having been seen by passengers on board a steamer passing out of the Gulf of California. As the captain of the ship is a sportsman and a man of many a wild tale, many are willing to believe the story.

Personal—W. O'Brien, one of the two survivors of the ill-fated steamer Pacific, was a visitor in the city yesterday. The sinking of the Pacific was one of the worst shipping tragedies of the year and caused much excitement in this city.

The General Directory—Convening work on the new Provincial Directory is nearly completed, and after W. W. Wols, the general manager, returns from the East Coast, compiling will commence, following which the new work will make its initial appearance.

## A. T. MACAULAY PASSES AWAY

Well Known Mining Operator  
Succumbed in Hospital  
on Sunday Evening

Alexander Taylor Macaulay, who for many years was identified with the mining industry in the Province of British Columbia, died at the Royal Jubilee Hospital on Sunday evening at the age of seventy-two years.

Mr. Macaulay was born in Bede, Cape Breton. When thirty-two years of age he came to Victoria and for a time was engaged in the sealing industry. He was then attracted to mining, which he followed throughout the remainder of his active life.

In the days of the Rosland activity Mr. Macaulay became interested in mining properties there and followed that up with activities in other parts of the province. Returning to Vancouver he took charge of the development of the June group copper claims for the Copper Mountain Mining and Development Company for some years. He also had charge of the work on the Rupert mine at Rupert Arm, Quiltsound, for the Canadian-American Mining and Exploration Company of Vancouver.

WENT TO NEVADA  
Later he went to Jarbridge, Nevada, where for several years he was superintendent of the Golden Queen group and the legitimate mine for the Jarbridge-Nevada Mining and Development Company, of Tacoma, Wash. He also had charge of the mining operations on a copper property at East Sooke for the Ladysmith Mining and Smelting Company about twelve years ago. Mr. Macaulay retired from active mining a few years ago and since then had lived in Victoria. He is survived by a nephew, G. H. Patton, Esquimalt; three nieces, Mrs. A. W. Webb, Gordon Head; Mrs. J. Thomas, Victoria, and Mrs. J. W. Garlick, Bellingham. Funeral services will be held Wednesday at 2 o'clock from Sands Mortuary Chapel. Rev. J. S. Patterson will officiate, and interment will be made in Ross Bay Cemetery.

## PENSIONERS TO HOLD TAG DAY

Members of Canadian Pensioners' Association to Make First General Appeal

In an endeavor to reimburse the depleted funds of the Canadian Pensioners' Association, the members of the organization will hold their first tag day on Saturday, July 23.

The purpose of the association is to take up with the Government the question of adjustment of pensions and such other claims as may arise when members of the association are fairly considered to be entitled thereto. The association has been the means of bringing to the province more than \$40,000 in pension adjustments. There are no paid officers in the association and all the work is done gratis and both members and non-members are working hard to make the tag day a success.

Mrs. F. F. Osborn, 2034 Poul Bay Road, will be conversing with the ladies who would like to lend a helping hand can do so by telephoning G 5258.

## Angelita Wins Olympic Trial Yachting Race

SAN PEDRO, Cal., July 18 (AP).—The eight-metre sloop Angelita, of the California Yacht Club, Los Angeles, and skippered by Owen Churchill, won the right to represent the United States in the Olympic yacht races Sunday by defeating the Santa Maria, of the Santa Barbara Yacht Club, over a twelve-mile course.

The race was a match affair, with no other entries. The Santa Maria, the boat which represented the United States in 1928 at Amsterdam, will be sailed by Ronald Meland, of Vancouver, as Canada's entry.

The Angelita won by 2 minutes and 7 seconds.

## Will Not Accept Secretary's Post

LONDON, July 18 (CP).—Arthur Henderson, president of the World Disarmament Conference, and general secretary of the British Labor Party, has no intention of accepting the post of general secretary of the League of Nations if it is offered him.

Mr. Henderson, who was Foreign Secretary in the former Labor Government, has been mentioned as the likely successor to Sir Eric Drummond, whose intention of resigning as secretary-general of the league was announced some time ago.

## DIES IN VANCOUVER

Word has been received from Vancouver of the death of Mrs. Charles Brash, born in Posen, Germany, and a resident of Victoria for the past thirty years. Until two months ago, Mrs. Brash had been living with her daughter, Mrs. William Cathcart, 833 Joan Crescent. The deceased leaves to mourn her loss one son in Vancouver, H. Brash; also two daughters, Mrs. William Cathcart, of Victoria, and Mrs. M. N. A. Cohen, of San Jose. The remains are being brought to Victoria for interment in the Jewish cemetery. Service will be held at Hayward's B.C. Funeral Chapel on Wednesday, at 3 o'clock.

## FUNERAL RITES HELD

Funeral services were held on Monday afternoon for Florence May McCallum. Rev. S. Ryall conducted the service and interment was made in St. Luke's Churchyard, with the following as pallbearers: F. Edwards, R. Myles, P. Borden, H. Borden, F. Mealing and W. Dick.

## Strange Plane Successful Experiment

AFTER two years spent in experimenting, Ben Brown, Lawrence, Kansas, inventor, built this queer-looking plane which violates all the conventionalities of construction, but which really flies. The controls are overhead, the propeller is in the back, and the ninety-five-horsepower motor is back of the pilot seat in the centre of the fuselage.

## BIG INSTRUMENT IS COMING HERE

First United Church Installing Organ by Cassavant Freres Early in September

The ambition of the First United Church to install a new organ in keeping with the fine auditorium and well-trained choir, is shortly to be realized. At the services on Sunday the pastor, Rev. Dr. W. G. Wilson, announced that the installation of the new instrument, which will be one of the best ever brought to Western Canada, will begin about the middle of next month, and that it is expected the organ will be ready for use the first part of September.

Constructed by the famous Cassavant Freres, of Quebec, who have built the majority of the finest organs in Canada, the instrument, which will be encased in solid walnut, is certain to add considerably to Victoria's reputation as a musical centre, and will doubtless stimulate interest in this class of music.

In order to accommodate a number of structural alterations will have to be made in the existing organ loft, and the present choir and pulpit platform will be torn out to make way for the big instrument, although when the church was built, provision was made for such alteration, as the congregation even then entertained the certain hope that they would some day have the requisite funds to replace the small organ with a bigger and better one.

## CALGARY FIGHTS \$100,000 FIRE

CALGARY, July 18 (CP).—One of the oldest blocks in Calgary is fire-wrecked today following a conflagration on Sunday that caused \$100,000 damage. A drug store, furniture store and a theatre fell prey to the flames, which started in the basement of the theatre.

The structure was the Wright Block, situated on Eighth Avenue East.

## J. L. SINCLAIR PASSES

There passed away yesterday morning, at the age of eighty-six years, Julia Dorcas Sinclair, born in Dorsetshire, England, and a resident of this city for the past thirty-eight years, where she has spent much of her time in the nursing profession. The remains are resting at Hayward's B.C. Funeral Company's Chapel, where Rev. A. deB. Owen will conduct the service at 2 o'clock on Wednesday. Interment will be made in the family plot at Ross Bay Cemetery.

Four hundred thousand tenants in the Irish Free State have purchased land under the Land Purchase Act.

## Bed Keeps Bills Safe From Fire

NEW WESTMINSTER, July 18.—Out of the misfortune that struck Mrs. Mary A. McInnes, Carnarvon Street, when her home was practically destroyed by the fire early Saturday morning, she had one stroke of luck. When she was awakened from her sleep as flames started to sweep in her bedroom window, she forgot \$75 in bills placed under her pillow. It was thought that the money was destroyed in the flames, but a search since of the ruins revealed the money, water soaked and somewhat scorched, lying between the pillow and mattress.

## SCOPE OF DRIVE TO BE EXTENDED

Exhibition Association Adds Many New Names to Membership Roster

The drive for new members being conducted by the British Columbia Agricultural Association has been so successful in Victoria, that the campaign has been extended to Up-Island points, it was announced last night by fair officials.

The membership campaign passed the 200 mark yesterday, while it was understood that many new members had been secured by representatives who were sent Up-Island during the week-end. In conducting the drive, officials of the association hope to enlist many new members who will show a keen interest in the fair and help to make this year's exhibition even greater than last year, which broke all records for entries and gate receipts.

It was explained by officials yesterday that the membership card entitled the holder to free admission to the Willows grounds during fair week.

## CLAIM FOR POULTRY UNDER SHEEP ACT

EDMONDS, July 18.—Claims totaling \$350 for loss of poultry alleged to have been killed by stray dogs, were submitted to Burnaby Council tonight, under the Sheep Protection Act.

Eight owners of chickens residing in West Burnaby district submitted claims, including Dan Russell, of Jubilee, breeder of Rhode Island Reds, who lost birds valued at \$150.

Exports of Irish Free State liquor from Dublin in a recent week were the greatest in nearly five years.

## SMALL DECREASE IN COLLECTIONS

Percentage of Taxes Paid in Esquimalt Only Slightly Lower Than Last Year

Despite uncertain conditions, the percentage of tax collections in Esquimalt for the first six months of the year is only slightly lower than the amount collected last year, according to statements submitted by G. H. Pullen, tax collector, and the municipal auditors at a meeting of the Esquimalt Council last night. Both statements gave figures for the period from January 1 to June 30.

The general levy this year is \$81,218.39, of which \$51,085.52 has been collected to date, giving a 62.89 per cent for six months, as compared with 65.59 for the same period last year.

Collections of sewer rates and rentals total \$6,447.38 to date out of a total for the year of \$11,023.27. This percentage is 57.19 as compared with 62.06 per cent in 1931.

ARREARS OUTSTANDING  
Arrears outstanding at December 31, 1931, were \$27,451.75. Of these \$18,644.54 have been collected, making a 64.2 per cent last year.

Delinquent taxes collected to date total \$1,086.55 out of \$7,488.76 to be collected. The percentage of delinquent taxes collected is 14.54 per cent, in comparison with 16.31 per cent last year.

A detailed account of receipts and disbursements was presented by the auditors, showing total receipts of \$128,767.28, the estimate for the year being \$147,397.70.

## PREPARING TOUR OF ENGLISH SCHOOLBOYS

CALGARY, July 18 (CP).—No better finishing school than a visit to one of the Dominions of the British Empire could be devised, according to Lord Nigel Douglas-Hamilton, who was in Calgary today, making preparations for a tour of English public schoolboys.

The schoolboys' visit will be the ninth of its type. Thirty of the boys will arrive in Canada at the beginning of August. They will be pupils from the historic schools of Eton, Charterhouse, Harrow, Lancing and Westminster.

Lord Douglas-Hamilton left for Vancouver after a short stay in Calgary.

## FINED FOR BETTING

RICHMOND, July 18.—For registering and recording a bet on a horse race at Lansdown Race-track on July 7, Joseph Martin, of fixed address, of Vancouver, was fined \$125 in Richmond Police Court on Saturday.

## Store Stock Damaged by Water Leak

Stock damage, amounting to approximately \$10,000, was sustained by David Spencer's Ltd., during the week-end when fire protection spray nozzles weakened and caused a downpour of water in the women's silkware department.

Three breaks occurred during a period of twelve hours. Many of the daily garments were found to be drenched when removed from their containers.

## PLATEAU STILL AWAITS SUMMER

Local Alpine Club Group Is Delayed by Weather at Annual Camp

The heavy rains of last week considerably interfered with the programme of the party of Vancouver Island Alpine Club members, who are camping at the Forbidden Plateau. The intention was to climb a number of virgin peaks and explore new terrain, but continued wet weather and heavy fog early in the week altered the plans.

One of the happy incidents of the expedition has been the meeting with Eugene Croteau, who accompanied the first organized expedition into the Forbidden Plateau in 1928. On that occasion the Alpine Club joined with the Courtenay and Comox Mountaineering Club in a very successful camp, and a rehearsal of some of the happenings of that memorable camp filled a very happy hour with Mr. Croteau, who recalled the members individually.

This year's expedition, although much smaller than that of 1928 and much less fortunate in respect of weather, has been fortunate in having an expert camp cook, Jack Mitchell, who is noted as trapper and woodsman also. He had everything in readiness for the party, with main tents already up, also dining table and stove-fireplace, so that despite the rain which persisted intermittently for the first three days, everyone was comfortable, dry, warm and well-fed.

Summer on the plateau, as elsewhere on Vancouver Island, is much later than usual, and C. L. Harrison, who is in charge of the expedition, reports that snow is still falling on the mountains, and heavy banks of snow lie in all directions in the immediate neighborhood of the camp at Circle Lake. Mount Albert Edward was the objective on Thursday.

## Economy Policies Of City Council To Be Continued

Mayor David Leeming, who has consistently advocated the strictest economy in the operation of all civic departments since he assumed the mayor's chair at the commencement of the year, again reminded the members of his council last night that there must be a continuance of that policy for the remaining months of this year.

The Mayor, although not pessimistic and allowing that there has been some slight improvement in conditions generally, urged the aldermen to continue the economy policy and to carefully scrutinize all proposed expenditures.

His worship is not only anxious to cut down the estimated expenditures, but is also anxious to show a surplus, if such a thing be possible, at the close of the city's fiscal year.

## SOCIAL WORK IS EXTENDED

Miss Whitton, Director of Federated Organizations, Is Visitor Here

In an endeavor to assist the work being carried on in the child and family welfare work, Miss Charlotte Whitton, of Ottawa, director of the Dominion-wide federation which is charged with this work, is in Victoria. She is accompanied by Miss M. Grier, also of Ottawa, who is associated with the same organization.

The visiting ladies are making a tour of the Dominion with the object of giving any assistance possible to organizations engaged in this class of work. At the present time an unusually large number of applications for help is being received. Miss Whitton points out that the federated child and family welfare organization, of which she is the director for the Dominion, aims at securing as much coordination of the working bodies as possible so as to avoid overlapping expenses and overlapping of work.

INCREASED DEMANDS  
The long, drawn-out depression has had the effect of increasing the number of applicants for help, which has made the situation a very trying one, she says. On the prairies there is the hope that with the splendid crop outlook for this season, the situation will be ameliorated to some extent. In the East people are anticipating that the economic conference will work changes, and still others feel that the agreement arrived at by Lausanne will mollify conditions.

While she hopes that these promises may all be realized, Miss Whitton says that the situation is a pressing one just now. She is working for the unification, as far as possible, of all agencies working for the granting of assistance to those in need. The federation of which she is the head is willing to place any of its information at the disposal of public bodies engaged in the work in hand.

LOCAL CONFERENCES  
The visitors were met here by F. E. Winslow, the head of the federated welfare agencies of Greater Victoria, which was brought into existence following the survey made by Mrs. Cameron Parker, of the national federation, of which Miss Whitton is the director. Mrs. Parker is taking charge of the office in Ottawa during Miss Whitton's absence.

Misses Whitton and Grier met Mayor David Leeming and members of the council, and discussed the situation here. Following their work in Victoria, the visitors will go to Nanaimo and Ladysmith and other coal mining centres on the Island. Later they will proceed to Prince Rupert.

## BURNSIDE CLUB TO HOLD SPECIAL RINK MATCH THIS EVENING

A special rink game open to all men and women bowlers in Victoria will take place on the Burnside greens this evening at 7 o'clock. The proceeds from this game will go toward the Greater Victoria tournament and a prize will be awarded to the rink highest up.

## PROTEST WOODYARD

Property owners in the vicinity of 204 Douglas Street are opposing the location of a woodyard at that place, it was learned at the meeting of the public works committee of the City Council held prior to the council meeting last night. On motion of Alderman W. F. Strath, the request for permission to operate the yard was referred to the zoning committee of the council for a report.

## PICNIC HELD BY FRATERNAL BODY

Eagles Conducted Well Attended Annual Outing at Beaver Lake on Sunday

One of the most successful picnics in the history of the local aerial of the Fraternal Order of Eagles was held Sunday at Beaver Lake. More than two hundred members, their families and friends attended the outing and the long and varied sports programme afforded enjoyment to both young and old. Transportation was supplied by the Vancouver Island Coach Lines.

The following committee was in charge of the programme: J. E. Marsh, P.W.P. Dr. Hugh Clarke, P.W.P. C. H. Lester, P.W.P. A. Sadler, G. Foster, H. Macdonald, W. Levy, W. Cox and N. Atkinson.

The officers and members thanked all who contributed to the success of the outing.

## How It Started By Jean Leeming

A MAN'S HOUSE IS HIS CASTLE  
We are all familiar with this old saying which is among the most popular in modern speech.

"A man's house is his castle," we say, when we want to express the idea that in his own house a man is the seat of authority—that no matter how insignificant may be his position elsewhere, in his own house he is master. The expression has

## FOE FUNERAL NOTICE

Members of Victoria Aspie, No. 12, Fraternal Order of Eagles, and visiting members, are requested to attend the funeral of Brother Estimo Clausen, Tuesday morning, July 19, at 4:45 o'clock, at the Sands Mortuary Chapel.

W. W. LATINO, Rec. Sec.

been heard in this form: "An Englishman's house is his castle."

The saying is of English origin. Its author is a one-time Lord Chief Justice of England, Sir Edward Coke, who used it in the "Third Institute" of his authority. Sir Edward lived from 1552 to 1634.

## CITY SELLS NEW BLOCK OF BONDS

Council Authorizes Sale of \$200,000 of \$500,000 Sinking Fund Bonds for Sinking Fund

Adopting the recommendation of its finance committee, the City Council last night authorized the sale of a further \$200,000 of the \$500,000 bond issue to Wood, Gundy & Co., Ltd., Robb, Robertson & Birch, Limited, and Penberthon & Son (Vancouver), Limited, at a price of 92.99 and accrued interest, on condition that these firms agree not to sell or offer for sale any of these bonds within the city of Victoria.

Under the terms of the sale the corporation also agrees not to sell any part of this issue to any bond dealer for a period of sixty days, except at par. This sale completes the block of \$300,000 offered on option to the above-mentioned firms, which option was to expire yesterday.

The council also authorized the purchase of the following bonds for sinking fund purposes: From Burns & Wainwright, \$1,000 City of Victoria 5 per cent, due January 21, 1945, at 85.75 and accrued interest, to yield 6.70 per cent; from A. E. Ames & Co., \$2,000 City of Victoria 5 1/2 per cent, due July 10, 1933, at 98.57, yielding 7 per cent.

## EMPRESS OF BRITAIN COLLIDES WITH TRAMP

MONTREAL, July 18 (CP).—The Empress of Britain was in collision with the tramp steamer Bismarck, near Red Island, in the St. Lawrence River, about 8 o'clock this morning. It was reported to the head office of the Canadian Pacific Steamships. Damage was not serious, according to early reports, and both vessels were able to continue towards Quebec.

## TAKE BURGLARS AT THEIR WORK

Rope Used for Entry Is Left for Convenience of Police Squad in Pursuit

VANCOUVER, July 18.—Acting on an anonymous tip, police surrounded premises of Rae-Sid, 1401 Granville Street, at 1 a.m. Sunday and forcing entry, arrested three men on charges of breaking and entering, and recovered the spoils of the store safe, which contained a large sum of money.

The arrested men are: David "Frenchy" Martin, East Hastings Street; William Knap, Powell Street; and Anthony Hoos, of the same address.

A number of tools, of the kind used for safebreaking, were found on the premises and search of the store is being made today in the expectation of finding more tools and possibly two revolvers believed to have been hidden there.

When the police squads arrived they found that some persons had mounted to the roof of an adjoining building and forced open a window in the side wall of the Rae-Sid store and had then slid down a rope to the main floor of the premises.

One officer entered by the same means, the rope having been left in place, and opened the store to his fellow officers, who immediately commenced a search of the building.

Martin was found hidden in a washroom, and Knap and Hoos in the basement. They were quickly dispatched to police headquarters and booked on charges of breaking and entering.

Further search revealed a brace, five drills, a pair of gloves and a large iron bar, believed to be part of a safe-cracking tool known as a "can-opener," in various parts of the store. Examination disclosed that a cut had been made in the wall of the store, and a "can-opener," in the back of the office safe.

According to information in the hands of the police, the "can-opener" and two revolvers are hidden in the store.

## PAIR HELD FOR JEWELRY THEFTS

Seattle Janitor Said to Have Stolen Because "Liked Pretty Things"

SEATTLE, July 18.—A jewelry store janitor and his girl friend, who, he said, "liked pretty things," were held in the county jail tonight charged with the theft of approximately \$4,000 worth of jewelry from Weissfeld & Goldberg, jewelers.

The janitor, J. W. Houser, was quoted by detectives as admitting the thefts and saying the woman, Miss Dorothy Leclair, and her friend, Miss Vera Black, who also was said to have received some of the loot, knew his gifts were stolen and urged him on.

Detectives quoted Houser as saying he stole the jewelry because he "liked pretty things" and he could not afford to buy them for her out of his salary.

## Garage Explosion May Prove Fatal

WINNIPEG, July 18.—Explosion of a quantity of gasoline caused serious burns to Earl Maltman, sixteen years old, tonight. The lad, with a companion, was working in an automobile in a frame garage. He was rushed to hospital and may die. His arms and shoulders were covered with the flames.

The building became a mass of flames in a few minutes and was completely destroyed. Identity of the other boy was not learned, but he was not injured.

## B.C. Leads Provinces in Divorces Granted

OTTAWA, July 18.—In 1931, 684 divorces were granted in Canada, or 21.8 per cent for that year in 1930 when they were 875, the Dominion Bureau reports in a statement issued tonight. The greatest number of divorces were granted in British Columbia during 1931, the total being 208, which was a decrease of forty-seven from the previous year.

## FOUND AT BOTTOM OF ELEVATOR SHAFT

VANCOUVER, July 18.—Discovered at the bottom of an elevator shaft in the Dawson Building, Main and Hastings Streets, shortly after 8 a.m. Richard Jackson, McGregor Avenue, was removed to the General Hospital in a critical condition. He is suffering from serious internal injuries. It is thought the man lay at the bottom of the shaft for a number of hours.

Because clothing for workers is not in demand, manufacturers of such articles in Germany are preparing to produce good trousers, trench coats and other sports clothing.

## Bridge Safe for Added Water Main Engineer States

There is no danger of overloading Point Killie bridge by placing a water main across it, City Engineer F. M. Preston advises the City Council.

Mr. Preston's advice was secured after a letter had been published questioning the safety of the bridge with the added weight of a water main.

In his report to the council the city engineer points out that the trusses were designed to carry a dead load transferred from the sidewalks of 500 pounds per linear foot, together with a complete string of street cars and the roadway loaded also and "even with this extraordinary load the bridge would be still safe," he stated.

The bridge, since construction, has been well taken care of by painting and regular inspections. Inspections, the engineer says, are carried out twice a year.

## MANITOBA BRIEF IS MADE PUBLIC

Sees No Advantage in Wheat Quota—Urges Stabilization of Exchange in Empire

WINNIPEG, July 18 (CP).—The Government of Manitoba urges the Canadian dairy products allowed free access to the markets of the United Kingdom, but sees no advantage in a United Kingdom quota for Dominion wheat, since Great Britain's total import of wheat from all countries is less than Canada's average exportable surplus.

These and other resolutions are embodied in a brief submitted by the Manitoba Government to the Imperial Economic Conference, and made public here today by Premier Bracken.

Among other important resolutions the Manitoba Government urges stabilization of exchange within the Empire, and all possible haste in completing a survey of the Empire's mineral resources.

## Father and Son Painfully Hurt

A father and his son were painfully injured, Sunday morning, while delivering milk when the truck in which they were riding, was in collision with a machine owned by David Fyvie, 311 Vincent Street, at the intersection of Shelbourne Street and Lansdowne Road.

The injured were Joseph Road, Kluber Avenue, Saanich, and his five-year-old son, Robert. Both received severe cuts, bruises and abrasions, but were not seriously hurt. The father, who was riding, was taken to the hospital, where attendants last night reported their condition much improved.

## POISONED BY FUMES

TORONTO, July 18.—Poisoned by deadly hydrocyanic gas from their rummaging bow as they were about to leave a local apartment, two women were found dead Sunday night. They were William Beatty, fifty-one, and Thomas E. Beatty, twenty, a nephew of the older man.

CALGARY, July 18 (CP).—J. McDonald, fifty-five-year-old Calgary lawyer, died suddenly on a heart attack here today following a heart attack.

## Announcements

To All Women who may be greatly distressed over their facial disfigurements, Miss Hannan would send this message, that she is both ready and willing to give all her attention, sympathy, understanding to their case—rich or poor. She recognizes no distinction, makes no difference, she is concerned with but one thing—and that is that she may do her utmost for all those who may seek her help. Phone G 7642, 503 Bayward Building.

## City and District

Finance Accounts—Accounts for June, totaling \$427,35, were authorized to be paid at a meeting of the Esquimalt Council last night.

Fortress Company Notice—All camp clothing and equipment must be turned in to the company stores of the 17th Fortress Company, Canadian Engineers, for checking, before Friday, July 22.

Charge Dismissed—Joseph Baldwin, charged with the theft of an automobile, was dismissed by Magistrate George Jay in Esquimalt Police Court after evidence concerning the charge had been heard.

To Discuss Business—The Gyro Club will hold a private meeting next Monday, when business falling under various heads, will be transacted. The meeting will take the form of a luncheon gathering in the Empress Hotel.

Fire in Park—A rubbish fire in Beacon Hill Park, near the bandstand, spread to nearby trees late last night, and required the attention of the fire department. The blaze was quickly brought under control.

Vital Statistics—A total of seventy-six births were registered in the city of Victoria during the month of June, according to the report of the medical health officer submitted to, and adopted by, the City Council last night. The total of deaths recorded was thirty-nine.

Bruce Plunk—Victorians who were former residents of Bruce County, Ont., who are able to attend the reunion of the Bruce old boys and girls of Vancouver, which is to be held tomorrow, are invited to be present at this picnic, which is to be held in Stanley Park.

Under Sealed Orders—On Sunday next the members of the Gyro Club are going on a picnic. They are called upon to assemble at 11 o'clock, and will take passage for a picnic place, which is being kept secret. If the water proves to be rough, a change will be made and the party will drive to a second section for picnic grounds.

Paving Is Delayed—Paving of Caledonia Avenue at the Royal Athletic Park entrance will not be done this year, the City Council decided last night. The city engineer reported the work macadamizing the avenue would cost approximately \$8,400, of which \$5,500 would be spent in labor. The Council referred the matter to the 1933 board of aldermen.

Fires Are Low—With 496 forest fires recorded throughout British Columbia up to July 15, forest rangers were congratulating themselves on their Babes Smith, an aviation exhibitionist, plunged head down, 2,200 feet from an airplane here, but extricated herself when only 300 feet from the ground and landed safely.

FLYING SCOTSMAN BEATS OWN RECORD

EDINBURGH, July 18.—The Flying Scotsman, one of the most famous trains in the British Isles, beat her own record by three minutes from London today by traveling the 392.1 miles in seven hours and 37 minutes. The average for the non-stop trip was fifty-six miles an hour.

How County Court of England has ordered R. C. Mayes, of Forest Gate, to pay a judgment of \$6,000 at the rate of \$1 a month, which will take 108 years.

Grant Is Refused

A request from the Greater Victoria District Lawn Bowling Association for a grant to defray the costs of the association's annual tournament, was refused at a meeting of the Esquimalt Council last night, the board members stating there were no funds available for that purpose.

CALLED BY DEATH

There passed away on Sunday, at St. Joseph's Hospital, Cornelius Duggan, of 706 Blanshard Street. Mr. Duggan was born in Ireland, and is survived by one brother, John Duggan, of County Cork, Ireland. The remains are resting at the S. J. Curry & Son Funeral Home, pending funeral arrangements, which will be announced later.

TWICKENHAM MEMBER DIES

LONDON, July 18 (CP).—Sir John Ferguson, sixty-five, Conservative member of the House of Commons for Twickenham division of Middlesex since 1929, died Sunday. He was the fifth member of the House of Commons to die since the general election of last Fall.

## DROWNED WHILE BATHING

KENORA, Ont., July 18.—Archibald Maxwell, forty-five, of Transcona, Man., was drowned near here tonight. He was stricken with a fainting spell while bathing in three or four feet of water.

BONERS

are actual humorous old-time found in examination papers, essays, etc., by teachers.

SORCERERS CHALLENGED

To prove that the sorcerers, who are terrorizing the natives in Africa, are merely taken, the Christian Council of the Gold Coast has issued a challenge to them by offering \$50 to anyone who, in the presence of the council's representatives, will eat fruit while standing five yards away from it, take an article out of a sealed box without breaking the seal and "transform himself into any beast or bird or creeping thing." Observers say that even should no one come forward to claim the \$50, or that a claimant is unable to fulfill the conditions, it will prove nothing to the natives. Whenever native magic fails, the excuse is invariably that stronger or, at least, equally strong magic has been employed on the other side.

Kilmainham, Kilkenny and Dundalk prisons in the Irish Free State have just been closed.

# Personal News and Matters of Social Interest

## Higher Education Great Advantage in Business

Convention Delegates Discuss Matter of Careers and Problems—Social Entertainments Enjoyed by Visitors in City

The less serious side of the convention of the Canadian Federation of Business and Professional Women's Clubs was reserved for the past week-end, when the members from the Mainland were guests of the local clubwomen from the time of their arrival on Saturday until yesterday afternoon, when the visitors departed.

At a round-table conference at the Empress Hotel on Sunday afternoon following luncheon, much time was devoted to the discussion of raising the educational standards of the business woman. Miss Mattie Hammond, of Hamilton, introduced the subject by a thoughtful and well reasoned argument that a solid education developed the power to think properly and logically, and that a girl equipped with the highest type of education would prove of more value to the employer in consequence.

**MORE LIBERAL EDUCATION**  
Miss H. L. Cryderman, of Vernon, also advocated a more liberal education as a qualification for a business career. The trend of the day was towards more commercialism, in her opinion, with the result that the spirit of culture was starved.

Miss Avis Lobdell, of Portland, Oregon, quoted the slogan of the United States Federation: "At least

a high school education for every girl in the business world," and told of the scholarship loan fund started by the club to assist young girls to higher education.

Miss Burroughs, of Vancouver, suggested the establishment of post-graduate courses for business women, and Miss Peters, of Vancouver, expressed the hope that some day a working women's college might be established along the lines of similar institutions in England.

**MATRICULATION STANDARD**  
The discussion was crystallized into a motion recommending to the board of directors that a resolution be sent to the Business Educators' Association asking that a least a matriculation standard, or its equivalent, be required of girls entering business college.

Clubrooms and their value formed the subject of interesting contributions made by Miss Flora Ingram, president of the Winnipeg club, and Miss Hazel Taylor, of Montreal, both describing methods employed in the running and financing of their respective club quarters. Miss Helen White, of Kamloops, in her paper on club memberships, gave many valuable suggestions and sound views on the subject.

**PRESENTATIONS MADE**  
Miss Katherine Campbell, provincial vice-president, presided at the gathering. At the close of the business Miss Pansy Puc, of Calgary, presented Miss A. J. Dauphinee, the new president and chairman of the convention committee, with a handsome monogrammed, fitted attaché case in blue leather, and to Miss Ethel M. Thornton, of Winnipeg, and Miss Katherine Campbell, of Vancouver, coralline necklaces and matching earrings, the gifts representing the joint appreciation of delegates and visitors to these three most efficient officials.

Miss Hammond, of Hamilton, on behalf of the visiting delegates, expressed their appreciation of the delightful hospitality of the hostesses, Vancouver and Victoria, to the private hostesses; and to all who had in so many ways contributed to the pleasure and enjoyment of the visitors, and to the success of the convention.

**LOCAL HOSPITALITY**  
In the morning the visitors were driven out to "Benvenuto," Tod Inlet, where they were warmly welcomed by Mr. and Mrs. R. P. Butchart, who taken on a tour of the gardens and entertained in the house. The hostesses were warmly thanked for their gracious hospitality by their guests, both individually and collectively.

Following Sunday afternoon's round table, adjournment was made to "Windward," Fairfield Road, where Mrs. J. H. Gillespie, Miss Wiley and Miss Margaret Clay were charming hostesses. A buffet supper was served from tables beautifully arranged with sweet peas, phlox and other summer flowers, and after a tour of the lovely gardens, the guests enjoyed an informal musical and social hour, which constituted a delightful climax to the day.

**Royal Oak**  
Rev. H. Ireland, who has been visiting Mr. and Mrs. N. McGilvray, Prospect Lake, has left for his home in New Westminster.

The birthrate of Watford, England, has dropped over 50 per cent since 1901 and 35 per cent since 1922, this year's rate being 14.6 per 1,000, while that of 1901 was 31.90 and 1922 was 22.4.

## Fashionable Weddings in Summer Season

MISS Marion Aileen Van Sickle (1), daughter of Mr. and Mrs. Joseph Charles Van Sickle, whose marriage to Mr. Edward Bruce Hyne, of Toronto, son of Mr. and Mrs. John Hyne, of Port Hope, will be an interesting event of August 31. (2) Mrs. W. B. Kerr, who before her marriage this month was Miss Ada Brett, of Rosemont, Ont. Mr. Kerr is professor at the University of Buffalo. (3) Mrs. Harold L. Daufman, who before her marriage last week was Miss Mary Baker, daughter of Mr. and Mrs. Sol Baker, of Toronto.—Photograph of Miss Van Sickle by Bain Studio. —Photograph of Mrs. Kerr by W. A. Piddock of Eaton's Studio. —Photograph of Mrs. Daufman by Milne Studios.

## Irish Girls Will Have Busy Time

OTTAWA, July 18 (CP).—The Imperial Conference may concentrate upon high issues of State and may conceive policies of great moment to the world itself, but to some the whole conclave merely means work, and means of it, in a nutshell, represents the outlook of the five young and attractive stenographers who accompanied the Irish Free State delegation to this country. They are Misses V. Brown, C. I. Murray, M. A. Sims, J. E. Ayres, and P. Lessels, young ladies who are quite seized of the importance of the conference but who also realize that it means long hours and many tedious days of shorthand notes and typing.

Some of these college girls of the Irish Civil Service are quite experienced in international and imperial gatherings. Miss Brown attended the conference of 1930 in London, and has also accompanied the Free State representatives to Geneva on several occasions. This quietude looks forward to a pleasant sojourn in the Canadian capital.

## Children To Assist At Party

Several children will take part in the programme being arranged for the garden party to be held tomorrow afternoon in the beautiful garden of Colonel and Mrs. Lennox Irving's home on Ford Bay Road.

Miriam Schwabe and Ian Gibson, pupils of Carleton Place, will dance the "Gala," a dance characteristic of the Province of Aragon, with a tincture of accompaniment; Ian Gibson will contribute his popular "Indian Dance," and Helen Bell and Florence Hayward will represent "London Cries."

Ice cream will be sold by Marjorie Prior and Pamela Keats, and six Mac, Mrs. Irving's beautiful parrot, will lend a bright note of color to the scene.

**Garden City W.M.S.**  
The regular monthly meeting of the W.M.S. of the Garden City United Church was held recently at the home of Mrs. W. B. Glass, Gladia Avenue, with a good attendance of members and one new member present. Heralds were read by several members, also Bible readings on "Peace" and "Faith."

Mrs. Rogers gave a reading on "Tithing." A duet by Mrs. Reid and Miss Sangster was much enjoyed. Regret was expressed that Mrs. W. H. Brown and her family were leaving to make their home on the prairie, and Mrs. Glass voiced the feelings of members in all branches of the church where Mrs. Brown has always taken a leading part. On behalf of the auxiliary, Mrs. Rogers then presented Mrs. Brown with a fountain pen. The meeting closed with prayer, after which a social time was enjoyed.

Electricity is speeding up gardening in Holland to such an extent that many electric gardens are being started. The ground is heated by electricity and artificial light gives warm rays to the crops so that they mature much more rapidly than before.

## Social and Personal Notes

**Coming-of-Age Party**  
Miss Laura Thomson entertained a number of friends on Saturday evening at the home of her grandmother, Mrs. S. Brethour, Udonia Farm, East Saanich Road, on the occasion being her twenty-first birthday. During the evening bridge was enjoyed, the prize winners being, first, Miss Anne Lorenzen and Mr. Ralph Sparks, and consolation, Mrs. William Bewick and Mr. Ernest Livesey. Supper was served at midnight, a two-tier birthday cake decorated with candles being placed at the head of the table. Miss Thomson was assisted in serving by her mother, Mrs. T. Thomson. The invited guests were Mr. and Mrs. Henry North, Mr. and Mrs. William Bewick, Misses Gertrude Partridge, "Zoe" Bruce, Dorothy Bruce, Anne Lorenzen, Kaye Lorenzen, Muriel Thomson, Messrs. Ralph Sparks, Fred Sparks, Harry Oldenberg, Kenneth Sangster, Ernest Livesey, John Lawson and Duncan Morrison.

**Return to Victoria**  
The Misses Eileen and Rene Norcross, who have been living in Vancouver for some years, have returned to their home in Mitchell Street. They will be welcomed by a host of friends, Miss Norcross being particularly well known by many in Victoria and Duncan, and Miss Rene Norcross through her association with the Victoria and Islands Branch Canadian Authors' Association, and her career with the Victorian Order of Nurses during several years in Victoria.

**Return to Mainland**  
Rev. Brother Lawless, principal of St. Louis College, spent yesterday in Victoria, returning last evening to the Mainland to resume his teaching at the Summer School for Christian Brothers, Vancouver College, at which members of the teaching staffs of Vancouver, Victoria, Tacoma and other centres are in attendance.

**Visitors Leave**  
Mr. and Mrs. James H. Cheek, of Los Angeles, and their son, James H. Cheek, Jr., who have been motor-ing Up-Island, and spent a few days at Klitza Lodge, have been guests at the Empress Hotel during their stay in Victoria. They will leave this evening aboard the S.S. H. F. Alexander for their home in the South.

**Entertain at Supper**  
The Misses Northwood entertained last informal buffet supper party on Sunday night, at their residence on Beach Drive. They have been spending the last six months in Victoria with their mother, Mrs. O. Northwood, and expect to return to their home in Winnipeg next month.

**Return From Vancouver**  
Miss Phyllis and Miss Eileen Pendray, who have been spending the past few days visiting their brother-in-law and sister, Mr. and Mrs. J. R. Cummins, in Vancouver, when en route home with their parents from a two weeks' motor trip to the Interior, have returned to their home on Beach Drive.

**At Powell River**  
Mrs. E. Vernon Thomson and her son, Harry, have left by motor for Campbell River, whence they will cross to the Mainland and spend a holiday as guests of Mrs. Thomson's son and daughter-in-law, Mr. and Mrs. William Vernon Thomson, at Powell River.

**Here for Few Days**  
Herald, who has been attending the convention of the Canadian Federation of Business and Professional Women's Club at Vancouver and Victoria, is now the guest of Mrs. J. W. Fullbrook, 2822 Inez Drive, for a few days.

**Leaving for Sardinia**  
Miss Ruth Walcott, of Maple Bay, who has been spending the last ten days with relatives and friends in Victoria, is leaving this afternoon for the Mainland, en route to Sardinia, where she will visit Mrs. J. Arnold until the end of the month.

**Visitors in Town**  
Mrs. R. H. Mayhew and her little daughter, Eleanor, are the guests of the Misses Bill, Linden Avenue, and will spend several weeks more in Victoria and other parts of Vancouver Island before returning to their home in Los Angeles.

**At Roca-bella**  
Mrs. Roger Laurence and her sister, Mrs. Crosland Penton, of Los Angeles, who have been for a trip

**Leaves for Astoria**  
Mr. Owen Goward, who has been spending the past two weeks in Victoria with his mother, Mrs. B. G. Goward, "Woodlands," Arbutus Road, left Saturday for Astoria, where he will resume his work.

**Leave for Forbidden Plateau**  
Mr. Dick Nixon and Mr. Reg Wenman motored to Comox on Sunday, and have since left on a camping trip to the Forbidden Plateau, with Mr. S. d'Este.

**Making Satisfactory Progress**  
Friends of Mrs. Eden Quainton will be glad to hear that she is making satisfactory progress from her recent operation in St. Joseph's Hospital.

**At Oak Bay Hotel**  
Mr. and Mrs. James B. Howe, of Seattle, who have been visiting Up-Island resorts for the past several days, are now spending some time at the Oak Bay Hotel.

**Visiting Here**  
Mrs. T. E. Lampman has arrived from California to spend a fortnight with her mother, Mrs. Biggestaff Wilson.

**Leave for Alaska**  
Mrs. L. E. Pierce and Miss Angus have left aboard S.S. Princess Louise for a trip to Alaska.

**Go for Trip**  
Mrs. D. Jack and her small daughter, Sheila, left this morning on an Up-Island motor trip.

**Leave for Portland**  
Captain and Mrs. H. B. Andrews, Davis Street, have left for a motor trip to Portland.

**Seattle Visitors**  
Mr. and Mrs. F. E. Braden, of Seattle, are spending several days at the Strathcona Hotel.

**WINNIPEG, July 18 (CP).—**Mrs. Stanley M. Bruce and Mrs. L. S. Gullett, wives of respective delegates from Australia and New Zealand to the Imperial Economic Conference at Ottawa, expressed Canada in green coats, as they passed through here on Sunday with their husbands, bound by special train for the Canadian capital, where the conference opens Thursday.

Both women had seen Canada before, they said, but it was during the winter, and the land was mantled with a white coat of snow. They plan to go to London after the conference for extended visits before returning to the Antipodes. Meanwhile, they are looking forward to a warm reception in Eastern Canadian cities, where they have many old friends whom they met on a previous visit.

Mrs. J. G. Coates, wife of the head of the New Zealand delegation, is a Londoner and has been in the Southern Dominion for twenty years. She, too, is looking forward to a visit to her home city.

**Weddings**  
**CARMICHAEL—DUNN**  
The home of Staff-Sergeant and Mrs. J. A. Fraser, Kamloops, was the scene of a quiet wedding on the evening of Saturday, July 16, when Rev. G. Dickey united in marriage, Miss Agnes Emily Dunn, of Victoria, and Constable John Alexander Carmichael, of the Provincial Police force, Kamloops, and recently of Victoria. The bride was given in marriage by her cousin, Mr. George H. Dunn, of Kelowna. Mrs. B. W. Wolf attended as matron of honor, and Mr. Percy R. Fraser assisted the groom.

The reception rooms, where the ceremony took place, were beautifully decorated with flowers and flowers. Following the signing of the register, the bride and groom, a few intimate friends partook of the wedding breakfast. A toast to the health of the bride and groom was proposed by Inspector W. L. Fernie, and replied to by Constable Carmichael.

The bride was recently a member of the public school staff, Saanich. Mr. and Mrs. Carmichael will make their home in Kamloops. Because of the poor quality of the pepper raised in Indo-China this year, the United States has had to turn to Java for the condiment raised there last year.

LET A **MOTHER** TELL YOU

Mrs. Albert Bolton, Toronto, gratefully speaks of what Eagle Brand did for her little daughter, Margaret Jean. "For the first three months she was nursed, but this did not seem to satisfy her, so after trying nearly everything, I read an advertisement in a newspaper about Eagle Brand and decided to try it. She took to it right away and there has been no trouble since. She has 14 teeth, all coming through without difficulty. Her flesh is firm, lovely straight limbs, good bone development and so contented. She won third prize at the Canadian National Exhibition Baby Show last September in Class D, with 102 entrants."

If you are unable to nurse your baby, or he is not gaining as he should, follow the advice of hundreds of thousands of other wise mothers and try Eagle Brand Milk. If you will send us your name and address, we shall be glad to send you helpful, free booklet on infant welfare, filled with advice and practical suggestions that will delight you.

Every photograph and letter published by the Borden Company is voluntarily sent us by a grateful parent or other relative.

## MURDER OF HAZEL MOOR

by AGATHA CHRISTIE

### CHAPTER XVI

Emily sat on the chair indicated. "I understand you are the girl who is engaged to Trevelyan's nephew," said Miss Percehouse. "I've heard all about you and now I have seen you. I understand exactly what you are up to. And I wish you good luck."

"Thank you," said Emily.

"I hate a slobbering female," said Miss Percehouse. "I like one who gets and does things."

She looked at Emily sharply. "I suppose you pity me—lying here never able to get up and walk about?"

"No," said Emily thoughtfully. "I don't know that I do. I suppose that one can, if one is determined, always get something out of life. If you can't get it in one way you get it in another."

"Quite right," said Miss Percehouse. "You've got to take life from a different angle, that's all."

As clearly as she was able, Emily outlined the theory she had evolved that morning about the application of it she had made to the matter in hand.

"Not bad," said Miss Percehouse nodding her head. "Now, my dear, we will get down to business. Not being a born fool, I suppose you've come up to this village to find out what you can about the murder. Well, if there's anything you want to know about the people here, I can tell it to you."

Emily wanted no time. Concise and business-like, she came to the point.

"Major Burnaby?" she asked.

"Typical retired army officer, narrow-minded and limited in outlook, jealous disposition. Credulous in money matters. Kind of man who invests in a South Sea Bubble because he can't see a yard in front of his nose. Likes to pay his debts promptly and dislikes people who don't wipe their feet on the mat."

"Mr. Ryecroft?" said Emily.

"A little man, enormous egoism. Cranky. Likes to think himself a wonderful fellow. I suppose he has offered to help you solve the case right owing to his wonderful knowledge of criminology?"

Emily admitted that was the case.

"Mr. Duke?" she asked.

"Don't know a thing about the man—and yet I ought to know—and yet I don't. It's queer. It's like a name on the tip of your tongue and yet for the life of you you can't remember it."

"The Willetts?" asked Emily.

"Ah! the Willetts. Miss Percehouse hoisted herself up on an elbow and began in some excitement. "What about the Willetts indeed? Now, my dear, it may be useful to them, or it may not. Go over to my writing table there and pull out the little top drawer. Bring me the blank envelope that's there."

Emily brought the envelope as directed.

"I don't say it's important—it probably isn't," said Miss Percehouse. "Everybody tells lies one way or another and Mrs. Willett is perfectly entitled to do the same as everybody else."

She took the envelope and slipped her hand inside.

"I will tell you all about it. When the Willetts arrived here, with their smart clothes and their maids and their innovation trunks, she and Violet came up in Ford's car and the maids and the innovation trunks came by the station bus. I was looking out as they passed and I saw a colored label blow off from one of the trunks and dive down to one of my boots. Now, that is one thing I hate more than another it is a letter of paper or mess of any kind, so I sent Ronnie out to pick it up, and I was going to throw it away when I struck me it was a bright, pretty thing, and I might as well keep it for the scrapbooks I make for the children's hospital. Well, I wouldn't have thought about it again except for Mrs. Willett deliberately mentioning on two or three occasions that Violet had never been out of South Africa and that she herself had only been to South Africa, England and the Riviera."

"That Violet had never been out of South Africa?" said Emily.

"Miss Percehouse thrust a luggage label into Emily's hand. It bore the inscription, Mendie's Hotel, Melbourne."

"Australia," said Miss Percehouse, "is South Africa—or it wasn't in my young days. I dare say it isn't important but there it is for what it is worth. And I'll tell you another thing. I have heard Mrs. Willett calling her daughter and she called her daughter and she called her daughter and that again is more typical of Australia than South

Africa. And what I say is, it is queer. Why shouldn't you wish to admit that you come from Australia, if you do?"

"It's certainly curious," said Emily. "And it's curious that they should come to live here in Winter."

"That leaps to the eye," said Miss Percehouse. "Have you met them yet?"

"No. I thought of going there this morning. Only I didn't know quite what to say."

"I'll provide you with an excuse," said Miss Percehouse briskly. "Fetch me my fountain pen and some notepaper and an envelope. That's right. Now, let me see. She paused deliberately, then without the least warning raised her voice in a hideous scream.

"Ronnie, Ronnie, Ronnie! Is that boy dead? Why can't he come when he's called? Ronnie! Ronnie!"

Ronnie arrived at a brisk trot, paint brush in hand.

"Is anything the matter, Aunt Caroline?"

"What should be the matter? I was calling you, that was all. Did you have any particular cake for yesterday?"

"Cake?"

"Cake, sandwiches—anything. How lovely you are, boy. What did you have to eat for tea?"

"There was a coffee cake," said Ronnie very much puzzled, "and some pale sandwiches."

"Coffee cake?" said Miss Percehouse. "That'll do. She began to write briskly. "You can go back to your painting, Ronnie. Don't hang about, and don't stand there with your mouth open. You had your aunts out when you were eight years old, so there is no excuse for

### Delegate's Wife Will Visit in Canada

LADY NEWTON

along just now. Reporters, I suppose, going to have a look at Sittford House."

"Did you know Captain Trevelyan well?" asked Emily.

"She was of the opinion that the incident of the bull terrier had been a mere subterfuge on Captain Wyatt's part dictated by a very natural curiosity. She was, she was well aware, the principal object of attention in Sittford at present, and it was only natural that Captain Wyatt should wish to have a look at her as well as everyone else."

"I don't know about well," said Captain Wyatt. "He told me this cottage."

"Yes," said Emily encouragingly.

"A skink, that's what he was," said Captain Wyatt. "The arrangement was that he was to do the place up to suit the purchaser's taste, and just because I had the window shades in chocolate picked out in lemon, he wanted me to pay half. Said the arrangement was for a uniform color."

"You didn't like him," said Emily.

"I was always at odds with him," said Captain Wyatt. "But I always have rows with everyone. He added as an afterthought, 'In a place like this you have to teach people to leave a man alone. Always knocking on the door and dropping in and chattering. I don't mind your people when I am in the mood—but it has got to be my mood, not theirs. No good Trevelyan giving me his Lord of the Manor airs and dropping in whenever he felt like it. There's not a soul in the place comes near me now,' he added with satisfaction."

"Oh! said Emily.

"That's the best of having a native servant," said Captain Wyatt. "They understand orders. Abdul," he roared.

A tall Indian in a turban came out of the cottage and waited ab-

### First United Women Hear Dr. Sipprell

Rev. W. J. Sipprell, D.D., was the guest of honor and speaker at the meeting of the Women's Guild of the First United Church, yesterday afternoon, when more than a hundred and thirty members gathered at the home of Mrs. J. H. Fletcher, 1580 York Street. His address was most interesting and instructive when he spoke of the present-day conditions in Palestine. An address on "Indian Work at Uchiel" was given by Rev. J. K. Unsworth, D.D.

Tea was poured by Mrs. W. G. Wilson, Mrs. D. McKillop and Mrs. R. W. Mayhew. The table was beautifully set with pink, larkspur and maidenhair fern. The convener of the refreshments was Mrs. S. J. Drake, who was assisted by Mrs. A. S. Huxtable, Mrs. H. M. Wright and Miss McAllen. Mrs. Harry Johns rendered a vocal solo, "With Verdure Clad," from Haydn's "Creation," and Mrs. T. R. Bowden sang "I Will Lift Up Mine Eyes," by Stephen. Following tea, an inspection of Mrs. Fletcher's beautiful garden was thoroughly enjoyed.

A vote of thanks was accorded the speakers by the president, Mrs. M. L. McLennan, who also thanked Mrs. Fletcher for her hospitality. Rev. Dr. W. G. Wilson gave the closing prayer.

### Officers Installed By Colfax Lodge

At the last meeting of Colfax Lodge, No. 1, in the presence of a large attendance of local and visiting members, the district deputy president, Amy McKenzie, assisted by the installing staff, Sister M. Taylor, grand marshal; Thelma Grech, grand warden; Marie Penman, grand secretary; Christie Arnall, grand financial secretary; Allie Gonnason, grand treasurer; Marie Paver, grand chaplain; Maud Watson, inside guardian; Clara Taylor, outside guardian, and Sister Brown as grand musician, installed the following officers: N. S. Ada, L. Kirk, V. G. M. Pavey, recording secretary, P. A. Walker, financial secretary, M. Fleming; Emergent, J. Batchelor; warden, A. R. S. G. D. Stocken, L. S. N. G. E. Newman, R. S. V. S. R. Oard, L. S. V. S. M. Dismore; chaplain, M. Somerville; inside guardian, E. Teagle; outside guardian, J. Polard, and musician, A. Curtis. Sister Edith Todd, V.P. of the Rebecca Assembly, was appointed team captain.

A pleasant feature of the evening was the presentation of a past noble to the lodge, to Sister Maud Hodgkinson by Colfax No. 1, and a pair of pictures and bouquet of flowers from the officers' staff. After the meeting, refreshments were served by the social committee.

### Cheminus

Canon and Mrs. Hazellhurst, of Victoria, were in Cheminus over the week-end. Canon Hazellhurst took the church services, both here and at Westholme, on Friday evening a successful surprise party was arranged in their honor by the women's auxiliary to St. Michael and All Angels Church.

Mrs. Hunt, of Vancouver, has returned to her home, having spent a few days with Mrs. C. L. Leeson.

Mrs. T. Douglas was in Vancouver recently.

Miss Pearl Gray is visiting relatives in Cheminus.

Mrs. C. D. B. Ross and her son, Richmond, have returned home after a short visit in Vancouver.

Mrs. C. A. Battistone and Mrs. E. T. Koch, recently motored to Victoria.

Mrs. Percy Sills and her son, Mr. Dean Sills, have returned to their home in Vancouver after having spent a few days in Cheminus.

Mr. and Mrs. Gilbertson Pritchard and small son are visiting friends here.

Mrs. Butler, of Victoria, is the guest of Mr. and Mrs. H. E. Donald, where they visited recently.

Mr. and Mrs. Lorne Dunn, of Nanaimo, were week-end visitors here, staying with their son-in-law and daughter, Mr. and Mrs. A. E. Smedley.

Miss B. Whitaker, of Vancouver, is visiting her sister, Mrs. G. L. Read.

Mrs. Benjamin Grosscup, of Seattle, is visiting Mr. and Mrs. E. T. Koch, Pine Street.

Mrs. and Mrs. W. S. York Higgs visited friends in Cheminus recently.

Messrs. George Wilson and Victor Johnson left at 2 a.m. Saturday for Cowichan. They caught their limit of bluebacks, jackrabbits and one spring salmon, returning to Cheminus at noon. Also good fishing is reported in Cheminus, bluebacks and jackrabbits running.

Mrs. Kennedy, of Ladysmith, visited here recently as the guest of her sister, Mrs. Attwood, who is making her home in Cheminus during the summer months.

### Colquitz

Mr. and Mrs. M. G. Mortimer, Wilkeson Road, have as their guests Mrs. Mortimer's parents, Mr. and Mrs. J. E. Rogers, who have recently returned from Spokane, where they visited recently.

Mrs. Bevan, of Vancouver, with her two children, Dorothy and David, is visiting her parents, Mr. and Mrs. Congdon, Glyn Road.

Mr. R. Bolton, Miss Elsie Bolton, Mr. E. Cary and Master Barry Bolton, of Nanaimo, were the guests of Mrs. Hodgson.

Mrs. W. Allen, of Tacoma, and her three children, are visiting Mr. W. Foster, Wellington Road.

Mrs. Reid, who has been visiting her daughter, Mrs. Gregory-Alen, Roy Road, has left for her home in Hackett, Alberta.

### Brentwood

Mr. and Mrs. Harold A. Blakey have returned home after spending the past four months in England.

Mr. and Mrs. L. Bristow have left for a visit to England.

Miss Margaret Hall has returned to her home, Mount Newton, after spending the past year teaching in the Peace River district.

Miss Nancy Whitehouse has left on a visit to relatives in England.

Mr. and Mrs. Charles Grimm, Carey Road, are spending a month at their summer home, Brentwood Bay.

Mrs. Johnson and Miss Margaret Johnston have returned home after spending a few days in Vancouver.

While Sydney E. Sugden was dining on the veranda of his home in England, an owl attacked him. He drove it away, but when he returned later the bird flew at his face, clawed him by the eyes, and carried away his eyeglasses.

# BIG DECISIONS CHOCOLATE IN FIERCE BOUT

## Red Sox Put Halt To Winning Streak Of Cleveland Squad

Cellar Occupants Come to Life and Repulse Fast-Traveling Indians by 4-2 Victory—Tigers Take Pair From Senators—Phillies Stop Pirates

BOSTON, July 18.—The Red Sox scored their first victory over Cleveland since 1912, today, despite the fact that they were out 11 to 9 by the fast-traveling Indians.

Smead Jolley, hard-hitting Sox left fielder, led his team's attack on Jack Russell, former Boston hurler, with two doubles, which drove in as many runs. R. H. E. Cleveland 5, Boston 4. Second game eleven innings. Philadelphia 4; Detroit 3. Washington 9; St. Louis 2.

Batteries: Russell, Brown and Myatt; Andrews and Connolly.

A's Trim Browns PHILADELPHIA, July 18.—In winning their third straight by taking the opening game of the series with St. Louis today, the Athletics also administered the eighth straight defeat suffered by the Browns. The score was 8 to 1, lifting the Mackmen back into second place over the Cleveland Indians.

Tony Freitas was credited with the victory, his sixth in succession. He made a most unusual unassisted double play in the fifth inning with men on second and third and one out, while the Athletics were leading 3 to 0.

Fielding Schulte's sharp grounder to the box, Freitas ran over to the third-base line, trapping Levy and touching him out. Turning like a flash, he ran toward pitcher Blalock, who was well off second. Blalock, who was going to make a throw, Freitas kept running toward Blalock and finally made a lunge and tagged him out.

In doing so he tripped over Blalock's foot and received a gash in his right ankle that put him out of the game. The out required three stitches and will keep him off the mound for some days.

Cochrane accounted for three runs in the eighth by hitting his thirteenth home run of the year with two on base.

R. H. E. St. Louis 12 0 0 Philadelphia 8 13 0 Batteries: Blalock and Cochrane; Freitas, Grove, Krause and Cochrane.

Tigers Take Pair WASHINGTON, July 18.—Twice today the Detroit Tigers humbled the Senators, 8 to 2 and 6 to 1, breaking a Washington winning streak which had been stretched to nine games.

In the nightcap, Webb, who doubled and went to third on West's fumble, scored in the second inning behind Walker's single. Another Tiger tally came in the fifth inning when Hayworth, on base, sacrificed. Myer's error, was sacrificed by Bridges and came home on Davis' double.

First Game—R. H. E. Detroit 6 13 1 Washington 2 6 3 Batteries: Whitehill, Ruel; Brown, Coffman, Burke, Marberry and Berg.

Second Game—R. H. E. Detroit 2 6 1 Washington 1 6 3 Batteries: Bridges, Uhle and Hayworth; Crowder and Berg, Maple.

Yanks Down White Sox NEW YORK, July 18.—George Pipgras tossed seven passes today but Gehrig, Lazzeri and Sewell came to his rescue with home runs and the Yankees defeated the White Sox 6 to 4 for their third successive triumph.

The victory was a costly one, however, the Yankees losing Babe Ruth indefinitely when the slugger's right arm was injured going after Selph's double in the seventh inning.

R. H. E. Chicago 4 6 3 New York 6 13 1 Batteries: Gaston, Gregory and Berry; Pipgras and Jorgens.

NATIONAL LEAGUE ST. LOUIS, Mo., July 18.—Timely hitting by Hack Wilson and Glen Wright gave the Brooklyn Dodgers a 7 to 4 victory over the St. Louis Cardinals today.

Wilson came through with a double in the seventh, scoring two runs. Then the Cards were trying to protect a one-run lead and obtained when they scored three.

Van Mungo in the sixth, Wright scored on the eighth, hampered by a home run on the heels of Cuccinello's today.

Joe Shaute, following Mungo on the mound, was credited with the victory, his second in as many days.

R. H. E. Brooklyn 7 11 2 St. Louis 4 7 2 Batteries: Mungo, Shaute and Lopez; Haines, Stout, Carlton and Wilson.

INTERNATIONAL LEAGUE Newark, 6; Rochester, 14. Jersey City, 7; Toronto, 2. Reading, 2; Montreal, 0.

Sunday's results follow: AMERICAN LEAGUE New York 4, 3; Chicago 2, 2. First game twelve innings.

Cleveland 5, 2; Boston 4, 6. Second game eleven innings. Philadelphia 4; Detroit 3.

NATIONAL LEAGUE Chicago 3, 8; New York 1, 2. Brooklyn 2, 8; St. Louis 9, 5. Boston 5, 2; Cincinnati 3, 1.

COAST LEAGUE Seattle 2, 7; Sacramento 3, 1. San Francisco 4, 1; Mission 0, 5. Second game seven innings.

Portland 1, 0; Oakland 0, 4. Second game seven innings. Los Angeles 3, 5; Hollywood 2, 1. Second game seven innings.

INTERNATIONAL LEAGUE Buffalo 6, 8; Baltimore 5, 2. Newark 5; Rochester 4. Reading 4; Montreal 2.

HOW THEY STAND W. L. Pct. Green Mill 3 1 0 0.00

Sons of Canada 7 5 .583 Batteries: Blalock and Cochrane; Freitas, Grove, Krause and Cochrane.

Tigers Take Pair WASHINGTON, July 18.—Twice today the Detroit Tigers humbled the Senators, 8 to 2 and 6 to 1, breaking a Washington winning streak which had been stretched to nine games.

In the nightcap, Webb, who doubled and went to third on West's fumble, scored in the second inning behind Walker's single. Another Tiger tally came in the fifth inning when Hayworth, on base, sacrificed.

Myer's error, was sacrificed by Bridges and came home on Davis' double.

First Game—R. H. E. Detroit 6 13 1 Washington 2 6 3 Batteries: Whitehill, Ruel; Brown, Coffman, Burke, Marberry and Berg.

Second Game—R. H. E. Detroit 2 6 1 Washington 1 6 3 Batteries: Bridges, Uhle and Hayworth; Crowder and Berg, Maple.

Yanks Down White Sox NEW YORK, July 18.—George Pipgras tossed seven passes today but Gehrig, Lazzeri and Sewell came to his rescue with home runs and the Yankees defeated the White Sox 6 to 4 for their third successive triumph.

The victory was a costly one, however, the Yankees losing Babe Ruth indefinitely when the slugger's right arm was injured going after Selph's double in the seventh inning.

R. H. E. Chicago 4 6 3 New York 6 13 1 Batteries: Gaston, Gregory and Berry; Pipgras and Jorgens.

NATIONAL LEAGUE ST. LOUIS, Mo., July 18.—Timely hitting by Hack Wilson and Glen Wright gave the Brooklyn Dodgers a 7 to 4 victory over the St. Louis Cardinals today.

EXPLANATION FOR SUNDAY'S RIPLEY CARTOON  
The Constant Kentucky Derby Fan—At the time of the first Derby, in 1875, Mrs. Susan B. Sherley came to Churchill Downs to see Aristides, the little red horse, win the initial classic, and from that time until she saw Whiskery come home ahead of the pack in 1927 she never missed that famous American race.

Mrs. Sherley's predilection for the Derby can probably be accounted for by the fact that she was a native of Lexington—the centre of Kentucky's blue grass and thoroughbred raising section. Neither age, income, nor inclement weather could prevent her from being at the Downs.

She died in February, 1928, in her ninety-sixth year.

A Five-Mile Jump—On November 1, 1931, Sergeant Chambers, of Post Field, Fort Sill, Oklahoma, shattered a high altitude record in parachute jumping, by falling 28,000 feet from an army airplane. It took Chambers' plane one and a half hours to rise to that altitude, and his descent in a parachute to earth took eighteen minutes. Halfway down Chambers nonchalantly lit a cigarette, which he smoked during the balance of his downward journey.

This feat was accomplished during an American Legion Flying Meet, in Kansas City.

ROSS BAY CHALKS UP 12-3 WIN  
Defeat Todd's in Third Game For Right to Meet Jokers in Final

PLAY-OFFS WILL START THURSDAY

Ross Bay won the right to meet Jokers for the championship of the Westholme Softball League last night when they defeated Todd's 12-3, in the third and deciding play-off fixture at Stevenson's Memorial Park. The winners played the first game of the series, and did not allow their opponents a run until the eighth inning.

The final play-off between Ross Bay and Jokers will commence Thursday night at Stevenson's Memorial Park, and will be the best two out of three.

Todd's were weakened last night by the absence of three of their regular players. In the first game the Bays nosed out their opponents by the odd run, while in the second Todd's took the decision by a one-run margin.

SCORE IN FIRST  
Ross Bay started the scoring in the first canto by sending two runners the route. The next two innings were scoreless, but in the fourth the winners sent two more home. In the fifth three more scores were registered. The sixth and seventh did not produce any runs, but in the eighth the winners went on a scoring rampage and sent four runners over the plate. In this inning Todd's secured their three markers. The ninth produced another marker for the winners.

Score by innings:  
Ross Bay 2 0 0 2 3 0 0 4 1—12  
Todd's 0 0 0 0 0 0 0 0 3—3  
Tonight Jokers will meet an all-star team from the other three squads in the league at Victoria West Park, commencing at 6:30 o'clock.

## Sculling Tests Will Be Staged In East Today

ST. CATHARINES, Ont., July 18 (CP).—Canadian aspirants for Olympic rowing honors put in their last training breezes tonight for the elimination trials to be staged over the Henley course here Tuesday. Five gruelling events are carded for the late afternoon and from out of the trials will emerge the scullers to wear the Maple Leaf at the Los Angeles Olympiad. In the doubles De Mille and Pratt, of Vancouver, and Richards and Dubois, Winnipeg, are the honor seekers.

## NANAIMO CITY TAKES COAST LEAGUE TITLE

Defeats New Westminster Royals 5-2 in Final Play-Off Fixture

NANAIMO, July 18.—Despite the short notice of the game, over 2,000 spectators attended the Central Sports Grounds here yesterday when Nanaimo City won the Con Jones Memorial Cup and the Pacific Coast League football title by the score of 5 to 2.

Royals won the toss and Nanaimo kicked off, going right down to force a corner, which was cleared, but Kula returned and watched on his third attempt from a scrimmage, scored Nanaimo's first goal half a minute from the start.

Nanaimo, remaining on the aggressive, the teams played again four minutes later. End-to-end play followed with Nanaimo having the advantage, but eighteen minutes from the start Blewitt conceded a corner, which d'Easum placed nicely and Hammond scored. For the remainder of the half Nanaimo played the better team and scored again after twenty-four minutes when Boyd scored direct from a free kick thirty yards out, given for a foul on G. Gray. Stobart replaced Kerr after thirty minutes for the Royals and White replaced Knight for Nanaimo shortly after. Knight suffering from an injury received in the first half.

Royals almost scored when d'Easum grazed the bar, and Nanaimo, going down the field from the start, scored through White. Shortly after, Royals were granted a doubtful penalty against English on Stobart being inside the area, which was cleared. Five minutes from half time Green scored for Nanaimo on a nice cross from Bud Sandiland, after a neat piece of work by G. Gray.

Nanaimo eased up after their fifth goal and the Royals had the better of the play for most of the remainder of the game, though Nanaimo were dangerous on several occasions.

Royals forced several corners and after thirty minutes minutes Fidler scored the Royals' second goal from a nicely-placed corner kick by d'Easum. Nanaimo had the better of the play for the remaining minutes of the game, but no further scoring took place.

Noel James presented the cup to Capt. Jimmy Knight, congratulating the Nanaimo team on its victory.

Capturing nine and halving one of the first ten matches, Royal Colwood Golf Club captured the Langley Cup on Sunday on their home links by scoring a 12½ to 7½ victory over the Rainier Club, of Seattle.

Club champion, took E. V. Peterson, Rainier's lead-off, to the clubhouse in the feature singles match, while Jack Matson shared the points with H. Van Kuran in the second match.

Results, with the Rainier players first mentioned, follow:  
E. V. Peterson, 0; R. Morrison, 1.  
H. Van Kuran, 5; J. R. Matson, 1.  
A. J. O'Brien, 0; N. Wallace, 1.  
W. S. Dyon, 0; P. Elmonds, 1.

Todd's took the decision by a one-run margin.

SCORE IN FIRST  
Ross Bay started the scoring in the first canto by sending two runners the route. The next two innings were scoreless, but in the fourth the winners sent two more home. In the fifth three more scores were registered. The sixth and seventh did not produce any runs, but in the eighth the winners went on a scoring rampage and sent four runners over the plate. In this inning Todd's secured their three markers. The ninth produced another marker for the winners.

Score by innings:  
Ross Bay 2 0 0 2 3 0 0 4 1—12  
Todd's 0 0 0 0 0 0 0 0 3—3  
Tonight Jokers will meet an all-star team from the other three squads in the league at Victoria West Park, commencing at 6:30 o'clock.

Men's Singles  
C. Clarke beat Martin, 10-8, 6-4. Todd's took the decision by a one-run margin.

Men's Doubles  
Cliff Margison and Ivan Temple defeated Allan Wright and Bill Dillabough, 6-1, 6-1.

Fourace and Scott beat Cliff Bull and Dave Mellor, 4-6, 6-4, 6-3.

Women's Singles  
Mrs. Thomas and Miss Cheer defeated Miss Sadie Underwood and Miss Kay Elstone, 6-2, 6-1.

Women's Consolation Singles—Final  
Miss Tyrer defeated Miss Martin, 6-1, 4-6, 6-4.

Men's Consolation Singles  
Thomas beat McKinnon, 6-2, 6-0. Francis beat Dillabough, 6-3, 6-4.

## ENGLISH BOY WINS CALL OVER CUBAN FOR SECOND TIME

Berg Fights Way Back to Centre of Fistic Stage by Victory Over Dusky Opponent—20,000 Fans Watch Battle at New York—Crowd Boos Decision

By Edward J. Neil, Associated Press Sports Writer. MADISON SQUARE GARDEN, NEW YORK, July 18.—Little Briton, the heart of a bulldog, fought his way back into the centre of the fistic stage tonight by knocking out a fifteen-round decision over Kid Chocolate, one of the flashiest of the little fellows, before an enthralled crowd of 20,000.

Battered down by Tony Canzone, beaten by Sammy Fuller and almost hammered out of shape by Billy Petrolle, the courageous little Englishman struggled back among the topnotchers of his class with an endless forward charge, that overhauled in the eyes of one judge, and Referee Johnny McAvoy, the cleaner hitting, sharper punching of the slender negro they call the Cuban Bonbon.

From the first five rounds the sleek little negro, a grand boxer and a terrific puncher, met Berg's charges with two-fisted thrusts that threatened to douse the Whitecap, whirling in the resin. He whaled Berg's head with rights, cutting both his eyebrows, and he leathered his body with terrific two-fisted volleys that left Berg gasping for breath and badly hurt.

But he could not put the game little Briton down, and scarcely did the magnificent tide of stamina and courage that welled up in him, and as the fight wore on, it was Berg, and not the Cuban, who was fighting in spurts from then on, while Berg never faltered, and at the end it was Chocolate who was desperately striving to keep up with the stream of leather the black-thatched Briton flung into his sides, his speed, gone, forced to meet Jackie at his own game.

In the thirteenth round Chocolate flared up with a withering fire that rocked Berg's head, sent him staggering from one side of the ring to the other, and left him ready for the one finishing blow the Cuban "Kee" could not muster.

As it was, a vast majority of the ringside critics thought that Chocolate had reversed the decision Berg had scored over him in twelve rounds in their first main event, years ago. The crowd boos the decision heartily.

Referee Johnny McAvoy and Judge Harold Barnes cast their votes for Berg, while Charlie Mynhe voted for Chocolate. The Associated Press scorecard gave Chocolate a margin of one round, with a score of seven for the Cuban, six for Berg and two even.

Receives Presentation From Tennis Club

BRITISH TEAM GIVEN PRAISE BY BURGHLEY

Captain Declares Squad Will Well Represent the Old Country at Games

By telephone from the St. Empress of Britain, via Canadian and Bell Telephone Company of Canada (British). ON BOARD SS. EMPRESS OF BRITAIN, July 18.—"Every member of the British Olympic team is determined to do his best to bring Olympic laurels to the Old Country."

Lord Burghley, world-famous hurdler and captain of the British athletes, told your correspondent, "I am certain, with more than seventy athletes and Olympic officials from the Old Country, Lord Burghley is journeying on the Empress of Britain to Quebec, then to Toronto and on to Los Angeles for the Olympic meet. Enjoying a refreshing walk on the sports deck after exercising in the gymnasium, Lord Burghley's well-appointed gymnasium, the blond-haired athlete son of the Marquis of Exeter, spoke of the coming games and recalled his visit to Canada two years ago for the British Empire games at Hamilton.

FINE LIST OF ATHLETES  
"I cannot prophesy what our men will do at Los Angeles," he said, "we have a fine list of athletes and every event we are entering and for the first time in the history of the games we are bringing women athletes as members of the official British Olympic team. I am certain that they will well represent the athletic prowess of our women and girls of the Old Country."

"Although we are going through to Los Angeles with hardly any stopover in Canada, I hope to have an opportunity of renewing the many friendships I enjoyed at the Empire Games before we again leave for home. Never were games of the size and scope of the Hamilton meeting carried out with greater sportsmanship."

Lord Burghley is a member of the British House of Commons, and keenly interested, both officially and personally, in the outcome of the Imperial Economic Conference, to which the British delegates are travelling on the same liner as the Olympic athletes. "My father, who has a ranch in Western Canada, will be in Ottawa during the conference," Lord Burghley said. "He will be there to represent the National Land Union. I should like to be in Ottawa myself during the conference, but it will be our job to keep the flag flying at Los Angeles."

PIGEON RACING  
The Victoria and District Racing Pigeon Club held its first young bird race of the season over the weekend from White Rock, a distance of fifty miles. Two hundred and ten birds took part, being liberated at 11 a.m. Results follow:

R. Green (Gambie) 1:02:19  
G. Stewart (Niggie) 1:09:08  
J. Stewart (Juanita) 2:00:09  
N. Rowe (Juanita) 2:02:20  
R. Harris (Alibi) 2:04:24  
J. Denon (Picnic) 2:06:22  
W. J. Bland (Fleeting) 2:10:34  
W. R. Tait (Hippo) 3:50:52  
R. Dickinson (Violet) 3:51:00  
R. Margison (Tardy) 3:54:07  
A. Rossi (Roma) 4:07:08  
J. B. Stewart won the pool and R. Green the N. Rowe special. The next race will be from Hope B.C. Birds must be at club headquarters by noon, Saturday.

Local Olympic Bicycle Riders Leave for Games Tonight

LEW Rush and Glen Robbins, two local cyclists who will represent Canada at the Olympic Games at Los Angeles, will leave for the South tonight on the S. H. F. Alexander. The local boys are in the pink of condition and big things are expected from them. Bill "Torchy" Peden, 1928 member of the Canadian team at Amsterdam and now a professional six-day rider, will journey direct from Evert United States to Los Angeles, where he will coach the Canadian team.

# NORTH SHORE ADVANCES IN DOMINION SOCCER

## Vancouver Eleven Defeats Edmonton In Final Game, 3-1

Mainlanders to Meet Manitoba Telephones in Next Round of Connaught Cup Soccer—  
Toronto Scottish Advances by Downings Forts

VANCOUVER, July 18 (CP).—Winning the round against Edmonton, Canadian Legion, Alberta champions, by virtue of a 3-1 victory tonight, North Shore United qualified to meet Manitoba Telephones in the Western final of the Dominion soccer championship series. North Shore won the round 4-2 in the first game Saturday resulting in a 1-1 tie. The British Columbia representatives will leave for Winnipeg on Wednesday, and are scheduled to play the first game there Saturday afternoon.

The North Shore's attack was full value for their victory tonight, being decidedly the better team in the first half and superior in the last twenty minutes. Edmonton came to life early in the second period, and after equalizing North Shore's first half goal, looked like making a real fight of it, but they flattered to deceive, and after United had regained the lead the visitors wilted badly.

The North Shore's attack was not brilliant, but it managed to get all-important goals.

The teams: Edmonton—Mann, Hoyle, Holmes, Marsden, Ditchburn, D. D. McLean, J. McLean, J. Graham, Brown, R. Graham and Minchin. North Shore United—Lindsay,

## FAVORITES ADVANCE IN NETTOURNEY

Budge Scores Straight-Set Win Over Verley-Gracy—  
Wheeler Moves Up

VANCOUVER, July 18 (CP).—Visiting players got off to a flying start as the British Columbia clay court tennis championships got under way today at the Jericho Tennis Club. Cyril Robbs, of Portland, advanced at the expense of Perry Swartz, California junior, 6-2, 6-3, while Don Rudge, of Oakland, accounted for Graham Verley, former Canadian boys' champion, 6-0, 6-3. Harry Goldman, junior player from San Francisco, beat H. Gault, of Vancouver, 6-3, 6-3, and Fred Shimura, of San Francisco, Pacific Coast Japanese titleholder, downed Bev Rhodes, former leading Northwest star, 6-3, 6-3.

James Kinney, of San Francisco, was one visiting casualty, bowing before Jack Brown, former British Columbia junior champion, 6-4, 3-6, 6-2. Gracy, Wheeler, favorite to lift the women's singles crown, was given a hard first-set tussle by Phyllis White, diminutive Vancouverite. She dropped the first three games but opened up the next five and finally the set.

## That Body of Yours

By James W. Barton, M.D.

## MIGRAINE - ONE-SIDED HEADACHE

It is estimated that about seven out of every 100 people sometime in life suffer with one-sided headache - migraine. It is more common in business men, professional men and teachers than in laborers.

Drs. Balyeat and Rinkel, Oklahoma City, who are, and have been, doing considerable research work on migraine, give the records of another group of patients, 202 cases. They conclude that migraine is common in childhood since in nearly one-third of the cases studied, the symptoms developed during the first ten years.

Of the 202 cases, 167, over eighty per cent, had other symptoms than the headache, showing that they were sensitive to various foods or other materials, so that a sort of poisoning was set up in the system. It is their opinion that in migraine there is dilatation of the blood vessels in a part of the brain which produces a congestion there similar to the hive or lump that is produced on the skin in some individuals when they eat certain substances.

This does not mean, of course, that any individual who is sensitive to certain foods or other substances and happens to have a headache, has the true migraine.

I have spoken frequently about migraine because no one has been able to prove definitely just what causes it. The fact that it is more frequent in business and professional men and teachers than in laborers might be the causative factor, but there are many individuals, particularly among women who are very hard physical workers, who nevertheless suffer with migraine.

The fact that children suffer with it also is worthy of note.

In the opinion of many physicians, regularity of eating, sleeping and the intestinal habit is neglected by many of these sufferers as they concentrate on their work and forget their physical needs. In my own opinion the liver doesn't get rid of poisons in the blood, in these cases, and hence the "bilious" attacks with which they suffer.

However, the fact that Drs. Balyeat and Rinkel are able to trace "sensitiveness" to foods and other substances, in so many cases, would prove that many of these sufferers would be able to avoid migraine if they would try to discover the substance or substances that induce the attack.

After an enormous meal the diner asked to see the manager.

"Once before," he said, "I dined at this restaurant, and as I could not pay the bill, you kicked me out."

"I am very sorry, sir," said the manager. "I beg your pardon."

"Don't mention it," said the diner. "You can just do it again."

## What Today Means

## "CANCER"

If July 19 is your birthday, the best hours for you on this date are from 10:15 a.m. to 11:45 a.m., from 4 p.m. to 5:25 p.m., and from 8 p.m. to 9:30 p.m. The danger periods are from 8 a.m. to 9:30 a.m. and from 2 p.m. to 3:30 p.m.

The Fates will apparently be benevolent on July 19, and there will be very few knock-out blows delivered on this date. Most controversies will be "clearing up" storms, and the day should end with kindly feelings towards all the world.

Some surprising developments in the business world may arouse general interest.

The disposition of the child born on this July 19, will be more morose than congenial, although he smiles can be most disarming. It may receive a mediocre intelligence rating, but will be capable of startling the

world with occasional flashes of brilliancy and wit. Continued great effort is out of its line, but it will display feverish spells of explosive endeavor.

You were not born with a silver spoon in your mouth. If born on a comparative affluence, you were faced with difficulties - possibly in the home. You have overcome these and risen superior to influences which would have dragged down one less high-principled and less able to contend with opposition.

Again, too, if born in a state of genteel or dire poverty, you have, by your sterling worth, conquered these handicaps, and are self-made without feeling it necessary to worship your creator.

Your disposition is a generous one, and your sympathies are wide and tolerant. In no sense of the word, are you narrow-minded or ultra-conventional. You have your own particular creed of life, and live up to it and abide the consequences. One of your most engaging qualities is your readiness to admit your own mistakes and to make amends for them. Considerate of others, you do not offend either by deed or word. You realize that "more flies are caught by molasses than by vinegar."

In marital relations, be you man or woman, you will be loyal and constant, and will be not only husband or wife, but a reliable pal in all sorts of weather.

## WHEELS HYPNOTIZE GIRL

Wheels had such an influence over a girl in Sydney, N.S.W., that they hurried her to death under a train. Such was the testimony at the inquest. Medical experts declared that the sight or sound of the train wheels exerted such an influence on the girl's mind that she fell in front of them without knowing what she was doing.

What is believed to be the world's talking record was made recently when, in a law case, an Australian King's counsel spoke for more than seventy-one hours.

## THREE COMEDIANS IN CAPITOL FILM

Zasu Pitts, Maude Eburne and Herbert Mundin in "Trial of Vivienne Ware"

While "The Trial of Vivienne Ware," the Fox picture which is a current success at the Capitol Theatre, is said to be a drama of powerful dramatic intensity, it presents three outstanding fun makers of the screen. They are Herbert Mundin, Maude Eburne and Zasu Pitts. Mundin will be recalled as the taxi driver in "The Silent Witness"; Miss Eburne's most recent pictures are "The Guardsman," "Polly of the Circus" and "Under Eighteen," and Miss Pitts has long been an outstanding comedienne of the screen. "The Trial of Vivienne Ware" is the story of a rich and beautiful

## AMUSEMENTS

### On the Screen

Capital—"The Trial of Vivienne Ware," starring Joan Bennett.

Columbia—"Johnny Weissmuller in 'Tarzan'."

Dominion—"Huddle," starring Ramon Novarro.

Empire—"Claudette Colbert in 'The Wiser Sex'."

Playhouse—"Three Wise Girls," featuring Jean Harlow.

Romano—"John Boles in 'Seed'."

Crystal Garden—"Swimming and Dancing."

## "THE WISER SEX" IS MODERN DRAMA

Claudette Colbert and Melvyn Douglas Star in Film Opening Today at Empire

A drama of the thoroughly modern type is "The Wiser Sex," which opens at the Empire Theatre today. Claudette Colbert is featured in the new offering with Melvyn Douglas. Miss Colbert is cast as a charming lady of luxurious means, who gives up a European play tour to come to the rescue of Douglas, who neglects his love duties to wash up an underworld blot on his city. He has been prettily framed into a murder charge through the underhanded gestures of Boyd and Miss Tashman, a former show-girl friend.

Action is sustained right up to the climax, in which Miss Colbert, obviously doomed for her "last ride," neatly turns the tables on the "brains" of the racketeer element.

ROMANO Lois Wilson had appeared continuously on the screen for thirteen years before she ever set foot on the stage of a theatre. The latest picture in which she is seen is now showing at the Romano Theatre, John Boles and Genevieve Tobin play leading roles in the picture.

COLUMBIA "Tarzan, the Ape Theatre" Man, is now showing at the Columbia Theatre. The picture, with all of the thrills and breath-taking adventures of the famous Edgar Rice Burroughs story depicted in the picture, Johnny Weissmuller, world's champion swimmer, who was cast in the title role because of his tremendous physical build, is excellent in the part, giving a vivid personification of the strange human being who was raised by the apes as one of their own.

PLAYHOUSE Jean Harlow, one of the reigning sensations of the screen, is featured in "Three Wise Girls," now at the Playhouse Theatre. The famous platinum-haired beauty attained tremendous popularity in spite of the fact that most of her roles presented her as
